and he was shrewd enough to capitalize on his image All sorts of Roy Rogers merchandise hit stores from action figures to comic strips and Rogers even banked on the popularity of his horse Trigger by featuring him enough to make the horse a household name as well Even today people can find the name Roy Rogers all over the place if only because he eventually had his name lent to a popular fast food chain in later years Even as his movie career inevitably tailed off Rogers remained popular enough to host a television show in the 60s with his wife and though it was only on for a short while the show's theme song Happy Trails is still well known today Rogers continued to appear on television and was involved with a production company in later years the capstone on a career that saw him earn 3 stars on the Hollywood Walk of Fame and induction into both the Western Performers Hall of Fame and Country Music Hall of Fame American Legends The Life of Roy Rogers chronicles the life and career of one of America's most famous actors Along with pictures of important people places and events you will learn about the King of the Cowboys like never before in no time at all Roy Rogers Roy Rogers,Georgia Morris,Mark Lawrence Pollard,1994-01-01 Rogers story in his own words lavishly illustrated with photographs from his private collection *The Roy Rogers Book* David Rothel,1987 *King of the Cowboys, Queen of the West* Raymond E. White,2005 For more than sixty years Roy Rogers and Dale Evans personified the romantic mythic West that Americans cherished Blazing a trail through every branch of the entertainment industry radio film recordings television and even comic books the couple capitalized on their attractive personas and appealed to the nation's belief in family values an independent spirit and community Raymond E White presents these two celebrities in the most comprehensive and inclusive account to date Part narrative part reference this impeccably researched highly accessible survey spans the entire scope of Rogers's and Evans's careers and highlights their place in twentieth century American popular culture In a dual biography he shows how Rogers and Evans carefully husbanded their public image and of particular note incorporated their Christian faith into their performances Testifying to both the breadth and the longevity of their careers the book includes radio logs discographies filmographies and comicographies that will delight historians and collectors alike Happy Trails Howard Kazanjian,Chris Enss,2005-01-01 Roy Rogers and Dale Evans ruled the West from the silver screen as the King of Cowboys and and Queen of the West Off screen this husband and wife duo raised a family and lived the Code of the West Now in this new book the Rogers family shares their memories of Roy Dale and Trigger along with their other sidekicks and more than a hundred never before seen behind the scenes photographs **Happy Trails** Roy Rogers,Dale Evans Rogers,Carlton Stowers,1979 This updated story of America's most popular western stars recounts their enormous success and happy times the family tragedies they have endured and the faith that helped sustain them Filmography **Roy Rogers, king of the cowboys** Bob Carman,Dan Scapperotti,1979
