

Royal Mistress

Diane Haeger

Royal Mistress:

The Creation of the French Royal Mistress Tracy Adams, Christine Adams, 2020-03-24 Kings throughout medieval and early modern Europe had extraconjugal sexual partners Only in France however did the royal mistress become a quasi institutionalized political position This study explores the emergence and development of the position of French royal mistress through detailed portraits of nine of its most significant incumbents Agn s Sorel Anne de Pisseleu d Heilly Diane de Poitiers Gabrielle d Estr es Fran oise Louise de La Baume Le Blanc Fran oise Ath na s de Rochechouart de Mortemart Fran oise d Aubign Jeanne Antoinette Poisson and Jeanne B cu Beginning in the fifteenth century key structures converged to create a space at court for the royal mistress The first was an idea of gender already in place that while women were legally inferior to men they were men s equals in competence Because of their legal subordinacy queens were considered to be the safest regents for their husbands and subsequently the royal mistress was the surest counterpoint to the royal favorite Second the Renaissance was a period during which people began to experience space as theatrical This shift to a theatrical world opened up new ways of imagining political guile which came to be positively associated with the royal mistress Still the role had to be activated by an intelligent charismatic woman associated with a king who sought women as advisors The fascinating particulars of each case are covered in the chapters of this book Thoroughly researched and compellingly narrated this important study explains why the tradition of a politically powerful royal mistress materialized at the French court but nowhere else in Europe It will appeal to anyone interested in the history of the French monarchy women and royalty and gender studies

Ladies of the Bedchamber Dennis Friedman, 2003 This text examines the role played by the mistress the concubine and finally commercial sex the ready availability of which possibly protected the virginal sanctity of marriage in the years preceding today s less holy alliances

Royal Mistress Anne Easter Smith, 2013-05-07 From the author of *A Rose for the Crown* and *Daughter of York* comes another engrossing historical novel of the York family in the Wars of the Roses telling the fascinating story of the rise and fall of the final and favorite mistress of Edward IV Jane Lambert the quick witted and alluring daughter of a silk merchant is twenty two and still unmarried When Jane s father finally finds her a match she s married off to the dull older silk merchant William Shore Marriage doesn t stop Jane from flirtation however and when the king s chamberlain Will Hastings comes to her husband s shop Will knows King Edward will find her irresistible Edward IV has everything power majestic bearing superior military leadership a sensual nature and charisma And with Jane as his mistress he also finds true happiness But when his hedonistic tendencies get in the way of being the strong leader England needs his life as well as those of Jane and Will Hastings hangs in the balance Jane must rely on her talents to survive as the new monarch Richard III bent on reforming his brother s licentious court ascends the throne This dramatic tale has been an inspiration to poets and playwrights for five hundred years and as told through the unique perspective of a woman plucked from obscurity and thrust into a life of notoriety *Royal Mistress* is sure to enthrall today s historical fiction

lovers as well **Queens and Mistresses of Renaissance France** Kathleen Wellman, 2013-05-21 DIV This book tells the history of the French Renaissance through the lives of its most prominent queens and mistresses beginning with Agn s Sorel the first officially recognized royal mistress in 1444 including Anne of Brittany Catherine de Medici Anne Pisseleu Diane de Poitiers and Marguerite de Valois among others and concluding with Gabrielle d Estr es Henry IV s powerful mistress during the 1590s Wellman shows that women in both roles queen and mistress enjoyed great influence over French politics and culture not to mention over the powerful men with whom they were involved The book also addresses the enduring mythology surrounding these women relating captivating tales that uncover much about Renaissance modes of argument symbols and values as well as our own modern preoccupations div The Perfect Royal Mistress Diane Haeger, 2007-02-27

Born into poverty and raised in a brothel Nell Gwynne sells oranges in the pit at London s King s Theater newly reopened after the plague and the Great Fire devastated the city Soon her quick sense of humor and natural charm get her noticed by those who have the means to make her life easier But the street smart Nell knows a woman doesn t get ahead by selling her body Through talent charm intelligence and sheer determination as well as a keen understanding of how the world operates Nell works her way out of the pit and onto the stage to become the leading comedic actress of the day Her skills and beauty quickly win the attention of all of London eventually even catching the eye of King Charles II Their attraction is as real as it is unlikely and the scrappy orange girl with the pretty face and the quick wit soon finds herself plunged into the confusing and dangerous world of the court where she learns there are few she can trust and many whom she cannot turn her back on From the gritty streets of seventeenth century London to the backstage glamour of its theaters to the glittering court of Charles II The Perfect Royal Mistress is a love story for the ages the rags to riches tale of a truly remarkable heroine

Medieval Royal Mistresses Julia A Hickey, 2022-12-02 Marriage for Medieval kings was about politics power and the provision of legitimate heirs Mistresses were about love lust and possession It was a world that included kidnap poison murder violation public shaming and accusations of witchcraft Ambition and quick wits as well as beauty were essential attributes for any royal mistress Infamy assassination and imprisonment awaited some royal mistresses who tumbled from favour while others disappeared into obscurity or respectable lives as married women and were quickly forgotten Meet Nest of Wales born in turbulent times whose abduction started a war Alice Perrers and Jane Shore labelled whores and wantons Katherine Swynford who turned the medieval world upside down with a royal happy ever after and Rosamund Clifford who left history and stepped into legend Discover how serial royal womanisers married off their discarded mistresses to bind their allies close Explore the semi official roles of some mistresses the illegitimate children who became kings secret marriage ceremonies Edith Forne Sigulfson and Lady Eleanor Talbot who sought atonement through religion as well as the aristocratic women who became the victims of royal lust Most of the shameful women who shared the beds of medieval kings were silenced besmirched or consigned to the footnotes of a patriarchal worldview but they negotiated paths between the private

and public spheres of medieval court life changing history as they went

Royal Mistress Patricia Campbell Horton,1977-09

Women in Shakespeare Alison Findlay,2014-02-27 This is a comprehensive reference guide examining the language employed by Shakespeare to represent women in the full range of his poetry and plays Including over 350 entries Alison Findlay shows the role of women within Shakespearean drama their representations on the Shakespearean stage and their place in Shakespeare s personal and professional lives

Female Beauty Systems Christine Adams,Tracy Adams,2015-09-04 Female beauty systems everywhere are complex integrating markers of class status power and sexuality to perform the fundamental function of sorting individuals into categories of more or less desirable Heirs to the tradition of courtly love modern western female beauty systems tend to share the norm of man as pursuer woman as pursued having developed around the trope of the madly desiring poet or knight supplicating his aloof and lovely lady for her favor The apparent longevity of the courtly love tradition raises the question of whether the way in which it structures male desire in reaction to female beauty is part of a universal tendency an evolutionary adaptation despite clear evidence that female beauty systems are also in fact socially constructed and reflect enormous ambivalence about the power and performance of beauty Although modern western female beauty systems are routinely demystified and contested today the purveyors of culture that support them institutional intellectual artistic commercial and popular continue as they always have to construe women as objects of male desire Still within this basic structure the systems have varied greatly across time and space with women using beauty as a form of social capital in widely differing ways Moreover as individuals have begun to experience their bodies as malleable and endlessly transformable rather than unruly and unyielding many have begun to experience beauty less as a given and more as a project The nine essays collected here examine a number of different Western female beauty systems over the centuries considering how women have complied with contributed to profited or suffered from and resisted them

History Adam Hart-Davis,2012-03-20 Homo sapiens have remained the same species largely unchanged in genetic makeup and anatomy since the Cro Magnon era By contrast the cultural social and technological changes since then have been nothing less than extraordinary At the core of this development is the ability of humans to store and transmit knowledge so that each new generation stands upon the shoulders of its predecessors This ability to use what has gone before is what sets humans apart Telling our story from prehistory to the present day DK s History is a thought provoking journey revealing the common threads and forces that have shaped human history Taking a broad themed approach acknowledging varied factors at work from climate ecology disease and geology and their roles in the human story this visual celebration makes history accessible and relevant putting events in their wider context and showing how they have shaped the world we live in Features inventions discoveries and ideas that have shaped world history Looks at human achievement through artifacts painting sculpture and architecture Places humankind in context as part of the natural world Includes eyewitness accounts and biographies of key figures at turning points in history Gives factors such as climate and natural

disasters their full place in the human story Uncovers the past from analyzing ice cores to deciphering extinct languages A comprehensive timeline chronicles the key events of the countries of the world
