Royaumont Mons Regalis:

The Women of Royaumont Eileen Crofton,1997 This story relates the wartime experiences of a group of women who ran a hospital near the trenches during World War I often under conditions of great hardship Told largely through letters home and diaries this book throws light on wartime conditions and the cause of women s suffrage **Angels of Mercy** Eileen Crofton,2013-07-04 They may have been angels of mercy But they were also angels with attitude real women with real guts This is the little known story of the gritty and free spirited women who in 1914 put aside their fight for the vote to set up a hospital in an abandoned French abbey to treat the appalling injuries sustained on the Western Front Uniquely in that theatre the hospital was staffed entirely by women doctors surgeons nurses bacteriologists radiographers orderlies and ambulance drivers In the face of opposition from the military and medical establishments and in the teeth of many hardships they succeeded in establishing one of the most effective and longest serving frontline military hospitals of the First World War

The Jerusalem Files Corjan Mol,Christopher Morford,2024-02-13 A non fiction Da Vinci Code for the 21st century this thrilling treasure hunt traces the voyage of the legendary Jewish Menorah from the Jerusalem of the Knights Templar through France Portugal and North America providing mind blowing history and mystery for fans of The Curse of Oak Island The Jewish Menorah is one of the world s most sacred artefacts a man size lampstand with seven arms made from a single block of gold that is an iconic symbol for the Jewish people King Solomon placed it in the inner sanctum of the Temple of Jerusalem but by the 5th century AD all trace of it had disappeared from the official record and it was assumed lost Two historical researchers Corjan Mol and Christopher Morford now reveal the astounding secret of what happened to the Menorah Through their meticulous research as well as a jaw dropping stroke of luck Mol and Morford discovered that the Menorah was dug up from the Temple Mount in Jerusalem in the time of the Crusades by the Knights Templar and smuggled to France with the help of the French King Louis IX From there it was taken to Portugal to end up in North America after interventions by Thomas Jefferson Benjamin Franklin and George Washington The secret was hidden in plain sight in both France and North America on a scale so big that it took 800 years for it to be discovered *Days Near Paris* Augustus John Cuthbert Hare,1859 **The New Werner Twentieth Century Edition of the Encyclopaedia Britannica** ,1906

Encyclopædia Britannica: ura-zym Day Otis Kellogg,1889 *The Encyclopædia Britannica* Thomas Spencer Baynes,1891 *Reassessing the Roles of Women as 'Makers' of Medieval Art and Architecture* ,2012-05-07 These volumes propose a renewed way of framing the debate around the history of medieval art and architecture to highlight the multiple roles played by women Today s standard division of artist from patron is not seen in medieval inscriptions on paintings metalwork embroideries or buildings where the most common verb is made fecit At times this denotes the individual whose hands produced the work but it can equally refer to the person whose donation made the undertaking possible Here twenty four scholars examine secular and religious art from across medieval Europe to demonstrate that a range of studies is of

interest not just for a particular time and place but because from this range overall conclusions can be drawn for the question of medieval art history as a whole Contributors are Mickey Abel Claire D Anderson Jane L Carroll Nicola Coldstream Mar a Elena D ez Jorge Jaroslav Folda Alexandra Gajewski Loveday Lewes Gee Melissa R Katz Katrin Kogman Appel Pierre Alain Mariaux Therese Martin Eileen McKiernan Gonz lez Rachel Moss Jenifer N Ghr daigh Felipe Pereda Annie Renoux Ana Maria S A Rodrigues Jane Tibbetts Schulenburg Stefanie Seeberg Miriam Shadis Ellen Shortell Loretta Vandi and Nancy L Wicker
