Raleigh C. Minor, 2017-10-16 Excerpt from Conflict of Laws or Private International Law All the principles of private
international law it might more properly be called The Law of Situs will be found to group themselves under one or the other
of these heads The branch of the law herein discussed though of daily growing importance is at present in a most chaotic
condition Comparatively few points may be regarded as settled The courts too frequently fail to rest their decisions upon
sound foundations of reason and principle they are too often inclined to indulge in vague generalities and dicta without
analyzing the transaction before them into its elements and applying the law of the situs of each element to determine its
effect It has been my constant aim to reduce every proposition to its ultimate principles for only by this means can order be
brought out of the confusion that now exists In some instances I have been forced to cite decisions which while supporting
the conclusions to which they are cited have reached those conclusions by fallacious courses of reasoning About the
