Rubian Antisemitism Pamyat And The Demonology Of Zionism:

Moynihan's Moment Gil Troy, 2013 A critical look at American Ambassador to the UN Daniel Patrick Moynihan's valiant stand against its 1975 declaration of Zionism as a form of racism shows just how much and how little Moynihan's moment accomplished and how relevant it remains today *Religion and Secular Modernity in Russian Christianity, Judaism, and Atheism* Ana Siljak, 2024-11-15 Religion and Secular Modernity in Russian Christianity Judaism and Atheism is a multifaceted account of the engagement between religion and the secular in Russia's Christian Jewish and atheist traditions Ana Siljak brings together an interdisciplinary group of leading scholars to present unique perspectives on the secularization dynamic in Russia and the Soviet Union telling stories about theologians sects churches poets and artists From the Jewish Christian priest Alexander Men to the cross dressing poet Zinaida Gippius to the Soviet promoter of Yiddish theater Solomon Mikhoels Religion and Secular Modernity in Russian Christianity Judaism and Atheism gives a voice to a variety of actors who have grappled with the possibilities of faith and unbelief in an industrialized modern and seemingly secular world Now more than ever as one narrative of Russia's religious history dominates official Russian accounts alternative perspectives of the relationship between Russian religion and secularism should be highlighted and emphasized *Ethnic Conflict in Asymmetric Federations* Gorana Grgić, 2016-12-19 In the last years of their existence the Union of Soviet Socialist Republics USSR and the Socialist Federal Republic of Yugoslavia SFRY found themselves facing a similar and very grim state of affairs After their disintegration the former Yugoslav republics spiralled into a set of ethnic conflicts that did not leave a single one of them unscathed and in the ex Soviet space conflicts were far more limited This book offers an in depth analysis of the difference in state collapses and ensuing conflicts in the Soviet Union and Yugoslavia by focusing on their asymmetric ethnofederal structure and the different dynamics of ethnic mobilization that the federal units experienced Moreover it explores the links between identity politics and international relations as the latter has been a latecomer in research on ethnonationalism and ethnic conflict Finally it contributes to the literature on the democratization conflict nexus by proposing that the sequencing of ethnic mobilization and political liberalization has significant effects on the likelihood of conflict This text will be of key interest to scholars and students of Post Soviet politics Balkan politics ethnic conflict peace and conflict studies federalism and more broadly to comparative politics and international relations *Index to Jewish Periodicals*, 2000 An author and subject index to selected American Anglo Jewish journals of general and scholarly interests *Subject Guide to Children's Books in Print 1997* Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Subject Guide to Books in Print**, 1997 *Anti-Semitism and Anti-Zionism in Historical Perspective* Jeffrey Herf, 2013-10-31 Previously published as a special issue of The Journal of Israeli History this book presents the reflections of historians from Israel Europe Canada and the United States concerning the similarities and differences between anti Zionism and anti Semitism primarily in Europe and the Middle East Spanning the past century the essays explore the continuum of

critique from early challenges to Zionism and they offer criteria to ascertain when criticism with particular policies has and has not coalesced into an ism of anti Zionism and anti Semitism Including studies of England France Germany Poland the United States Iran and Israel the volume also examines the elements of continuity and break in European traditions of anti Semitism and anti Zionism when they diffused to the Arab and Islamic Essential course reading for students of religious history **Antisemitism** Robert S. Wistrich,1994 Available for the first time in paperback Wistrich s widely praised study takes a sweeping look at the phenomenon of antisemitism tracing the insidious hatred of Jews from its pagan roots to its manifestation in present day hotspots including Communist bloc countries and Middle Eastern Islamic lands Illustrated

Crossovers Shlomo Sharan,2018-02-06 Crossovers compares Jewish anti Zionism and Palestinian anti Semitism from political and philosophical points of view The authors goal is to expose what is unique about these phenomena and what they share so that both ideologies and their practical impact can be better understood The authors identify a symbiotic relationship between anti Semitic Palestinian doctrines and those Jews who are anti Zionists There has been a great deal of research on these as separate phenomena but there has thus far been no research that has noted their similarities Palestinian anti Semitism and Jewish anti Zionism may stem from different sources but they have similar consequences Palestinian views derive from religious Islamic as well as nationalist Arab roots while the views of anti Zionist Jews grew out of an ideological Marxist Trotskyite background But both share a common goal the destruction of the Jewish Zionist nation and a common strategy to achieve a bi national state as a first stage in the march to this goal Jewish history is replete with examples of how Jews have ignored repeated threats and acts of violence against them That characteristic of Jews reflects their Messianic belief but it lacks a basis in history That belief has resisted change even in the face of threats that were obvious and that have endangered Jewish lives in the past Contemporary anti Zionists share this optimistic outlook Paradoxically while the Jewish Zionist State of Israel contends in public that another Holocaust will not happen and is patently impossible the lesson of recent Jewish history is that a Holocaust can happen again This work is unrelenting in its criticisms and tough minded in its assessments of the future It merits careful serious reading **Anti-Zionism and Antisemitism** Alvin H. Rosenfeld,2019-01-09 Seventeen essays by scholars examining the links between anti Semitism and attitudes toward Israel in the current political climate How and why have anti Zionism and antisemitism become so radical and widespread This timely and important volume argues convincingly that today s inflamed rhetoric exceeds the boundaries of legitimate criticism of the policies and actions of the state of Israel and conflates anti Zionism with antisemitism The contributors give the dynamics of this process full theoretical political legal and educational treatment and demonstrate how these forces operate in formal and informal political spheres as well as domestic and transnational spaces They offer significant historical and global perspectives of the problem including how Holocaust memory and meaning have been reconfigured and how a singular and distinct project of delegitimization of the Jewish state and its people has solidified This

intensive but extraordinarily rich contribution to the study of antisemitism stands out for its comprehensive overview of an issue that is both historical and strikingly timely
