A Select Collection of Old English Plays Various Authors, After the lapse of about half a century since the issue of the last edition of Dodsley's *Select Collection of Old Plays* and the admittance of that work into the honourable rank of scarce and dear books it seemed a desirable thing to attempt with such additional improvements as might be practicable or expedient a revival of a publication which has been a favourite with the lovers of our early drama since its first publication more than a hundred years ago Between 1744 the date of its original appearance and 1825 it passed through three editions and it may be remarked that the tendency in each successive edition has been to remodel the undertaking on the principle of rejecting plays which from time to time have been lifted up so to speak into the collected works of their respective authors and to substitute for them plays which have either suffered unmerited obscurity in original and rare editions or have lain so far scattered about in various other collections and in the present instance that principle has been strictly adhered to It is desirable that it should be seen precisely in what manner and to what extent the edition now offered differs from its predecessors as regards the contents The points of variation are three 1 Omissions 2 Additions of pieces not included in the former editions 3 Additional plays now first reprinted from the originals The first division comprises the following productions which since the last republication of Dodsley have been taken up into the collected editions of their respective authors

Shaw and History Gale K. Larson, 1999 This special issue of Shaw offers ten articles that focus on the theme of Shaw and History That focus illuminates Shaw's concept of history as art and its uses for dramatic purposes It is a focus that is broadly applied to the historical perspective Views range from Shaw's uses of historical sources in the Shavianizing of history his uses of historical geographical and political places and events in his work to views that place selected Shavian works within a historical context Stanley Weintraub discusses Shaw's references to Cetewayo Zulu chieftain in Cashel Byron's Profession as the first incorporation of a contemporary historical figure into his work John Allett explores the liberal socialist and radical feminist views of prostitution in nineteenth century England and demonstrates how those political views are developed within the unfolding action of Mrs Warren's Profession Sidney P Albert studies the Utopian movement The Garden City to determine the extent to which that movement influenced Shaw's conception of Perivale St Andres in Major Barbara He also narrates his personal attempt to identify the Ballycorus smelting works and its surroundings as well as the campanile or Folly at Faringdon as sites that provided the scenic sources for Perivale St Andres in Major Barbara Gale K Larson has edited a partially unpublished Shavian manuscript that addresses Shaw's relationship with Frank Harris and among other matters sets the historical record right as to who deserves the credit for attributing the identity of

the Dark Lady of the Sonnets to Mary Fitton He also examines the historical sources that influenced Shaw's views on Charles II the Merry Monarch in *In Good King Charles's Golden Days* and demonstrates Shaw's reclamation of yet another historical figure from the traditional historians David Gunby examines the first night performance of *O'Flaherty V.C.* for purposes of setting the historical record straight as to the facts of that production Wendi Chen presents the stage history of the production of *Mrs Warren's Profession* in China during the early 1920s and argues its central role in shaping modern Chinese drama Rodelle Weintraub assesses *Too True to Be Good* as a dream play within the context of the nightmarish times of World War I Michael M. O'Hara surveys the Federal Theatre's productions of *Androcles and the Lion* in the 1930s to reveal the political and religious repressions that those productions underscore Shaw 19 also includes three reviews of recent additions to Shavian scholarship as well as John R. Pfeiffer's *Continuing Checklist of Shaviana* The Essay Morris Edmund Speare, 1927
