## **Self Esteem The Key To Your Child's Future:**

**Self-esteem** Tony Humphreys, 2002 *Self Esteem The Key to Your Child's Education* is a must for any parent concerned about their child's education and their personal and career development. Parents act as the mirror for their children and their responses to them determine the image children form of themselves. How children see themselves in turn influences their academic progress. This book aims to help parents create a family environment that promotes their own and their child's self-esteem. Dr Humphreys makes it clear that without attention to children's inner conflicts and self-esteem it is unlikely that attempts to increase children's educational efforts will be successful. He sets out a clear plan on how to foster children's love of learning, emphasising that the emotional welfare of children is the cornerstone of their educational development.

**The Spirit of Mentoring** Robin Cox,2005 A Different Kind of Discipline Tony Humphreys,1998-09-01 Discipline is a topical issue It safeguards our rights as individuals and without appearing to impacts all our relationships In this ground breaking book bestselling author and psychologist Dr Tony

Humphreys addresses the many issues surrounding discipline in both the broad and immediate sense. With his usual clarity, he helps define areas that have become confused in our rapidly changing and expanding society. A common misconception is that discipline applies only to children, but it is as much an issue for adults as it is for young people. It is not about controlling others. Dr. Humphreys points out instead it is about helping others to learn to control themselves. Discipline demands creativity, commitment, and time. It is about parents, teachers, carers, and communities working as partners. True discipline is not abusive, aggressive, cynical, or manipulative. It is about clear communication, consistent application, adaptability, support, and co-operation. Most of all, it is about respect, acceptance, and love. In *A Different Kind of Discipline*, Dr. Humphreys guides us through steps to create a positive environment in homes, schools, and communities where mutual respect and thus discipline all have their place.
