Sidney Lanier Tiger Lilies Southern Pr

Robert Paul Lamb, G. R. Thompson

Sidney Lanier *Tiger Lilies* Southern Pr:

The Works of Sidney Lanier Sidney Lanier, 1945 *Tiger-lilies* Sidney Lanier, 1963 *The Poetics of National and Racial Identity in Nineteenth-Century American Literature* John D. Kerkerling, 2003-12-11 John D Kerkerling's study examines the literary history of racial and national identity in nineteenth century America Kerkerling argues that writers such as DuBois Lanier Simms and Scott used poetic effects to assert the distinctiveness of certain groups in a diffuse social landscape Kerkerling explores poetry's formal properties its sound effects as they intersect with the issues of race and nation He shows how formal effects ranging from meter and rhythm to alliteration and melody provide these writers with evidence of a collective identity whether national or racial Through this shared reliance on formal literary effects national and racial identities Kerkerling shows are related elements of a single literary history This is the story of how poetic effects helped to define national identities in Anglo America as a step toward helping to define racial identities within the United States This highly original study will command a wide audience of Americanists *Tiger-lilies* Sidney Lanier, 1963 ***Tiger-Lilies and Southern Prose*** Sidney Lanier, 1945 *American Poems, 1625-1892* Walter Cochrane Bronson, 1917

Nineteenth-Century Southern Literature J. V. Ridgely, 2021-12-14 Few inhabitants of the South in 1800 thought of it as a region or of themselves as southerners In time the need to defend the entire southern way of life became obsessive for many writers too often precluding efforts at originality in form or style Especially after the publication of Uncle Tom's Cabin southern identity and southern nationalism emerged as the grand themes and literature became subservient to regional interests The devastation of the Civil War and the collapse of the Confederacy instead of pointing southern writers in new directions only intensified their preoccupation with a now dead past The popular genres of the time historical romance and local color writing became tools to voice this preoccupation and have been important influences on America's view of the South and on American literature in general The myth of the idyllic plantation South has had an extraordinary pervasiveness in the American consciousness J V Ridgely speculates on the ways in which this tarnished but durable myth helped to produce the powerful Southern Renaissance of the twentieth century in this concise survey of the literature of America's most distinctive region during a crucial formative period *Southern Writers* Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant

connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject Shakespearean and Other Papers John Bell Henneman, 1911 **The Sewanee Review**, 1903 **A Companion to American Fiction, 1865 - 1914** Robert Paul Lamb, G. R. Thompson, 2008-04-15 A Companion to American Fiction 1865 1914 is a groundbreaking collection of essays written by leading critics for a wide audience of scholars students and interested general readers An exceptionally broad ranging and accessible Companion to the study of American fiction of the post civil war period and the early twentieth century Brings together 29 essays by top scholars each of which presents a synthesis of the best research and offers an original perspective Divided into sections on historical traditions and genres contexts and themes and major authors Covers a mixture of canonical and the non canonical themes authors literatures and critical approaches Explores innovative topics such as ecological literature and ecocriticism children's literature and the influence of Darwin on fiction **Stories with a Moral** Michael E. Price, 2000-01-01 Stories with a Moral is the first comprehensive study of the effects of plantation society on literature and the influences of literature on social practices in nineteenth century Georgia During the years of frontier settlement the Civil War and Reconstruction Georgia authors voiced their support for the slave system the planter class and the ideals of the Confederacy presenting a humorous passionate and at times tragic view of a rapidly changing world Michael E Price examines works of fiction travel accounts diaries and personal letters in this thorough survey of King Cotton's literary influence showing how Georgia authors romanticized agrarian themes to present an appealing image of plantation economy and social structure Stories with a Moral focuses on the importance of literature as a mode of ideological communication Even more significant the book shows how the writing of one century shaped the development of social practices and beliefs that persist in legend and memory to this day Nineteenth-century Literature Criticism Laurie Lanzen Harris, 1981 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations The Oxford History of Popular Print Culture Gary Kelly, Joad Raymond, Christine Bold, 2011 Planned nine volume series devoted to the exploration of popular print culture in English from the beginning of the sixteenth century to the present **Confederate Sympathies** Andrew Donnelly, 2025-04-15 The archive of the Civil War era is filled with depictions of men's same sex affections and intimacies Across antebellum campaign biographies proslavery fiction published memoirs of Confederate veterans and Union prisoners of war Civil War novels newspaper accounts and the war's historiography homoerotic symbolism and narratives shaped the era's politics as well as the meaning and memory of the war The Civil War in turn shaped the development of homosexuality

in the United States In a book full of surprising insights Andrew Donnelly uncovers this deeply consequential queer history at the heart of nineteenth century national culture Donnelly s sharp analytical eye particularly focuses on the ways Northern white men imagined their relationship with white Southerners through narratives of same sex affection Assessing the cultural work of these narratives Donnelly argues that male homoeroticism enabled proslavery coalition building among antebellum Democrats fostered sympathy for the national retreat from Reconstruction and contributed to the victories of Lost Cause ideology Linking the era s political and cultural history to the history of homosexuality Donnelly reveals that male homoeroticism was not inherently radical but rather cultivated political sympathy for slavery the Confederacy and white supremacy **Bookseller and Print Dealers Weekly** ,1928 **Southern Literary Culture** Marion C. Michael,1979

The Unwritten War Daniel Aaron,2003-01-08 In The Unwritten War Daniel Aaron examines the literary output of American writers major and minor who treated the Civil War in their works He seeks to understand why this devastating and defining military conflict has failed to produce more literature of a notably high and lasting order why there is still no masterpiece of Civil War fiction In his portraits and analyses of 19th and some 20th century writers Aaron distinguishes between those who dealt with the war only marginally Henry Adams Henry James William Dean Howells Mark Twain and those few who sounded the war s tragic import Herman Melville Walt Whitman and William Faulkner He explores the extent to which the war changed the direction of American literature and how deeply it entered the consciousness of American writers Aaron also considers how writers especially those from the South discerned the war s moral and historical implications The Unwritten War was originally published by Alfred A Knopf in 1973 The New Republic declared This book s major contribution will no doubt be to American literary history In this respect it resembles Edmund Wilson s Patriotic Gore and is certain to become an indispensable guide for anyone who wants to explore the letters diaries journals essays novels short stories poems but apparently no plays which constitute Civil War literature The mass of material is presented in a systematic luminous and useful way The Dream of Arcady Lucinda Hardwick MacKethan,1999-03-01 This is a well organized gracefully written account of a significant aspect of Southern fiction and it contains information and incisive commentary that one can find nowhere else Thomas Daniel Young Many southern writers imagined the South as a qualified dream of Arcady They retained the glow of the golden land as a device to expose or rebuke to confront or escape the complexities of the actual times in which they lived The Dream of Arcady examines the work of post Civil War southern writers who criticize the myth of the South as pastoral paradise Sooner or later in all their idealized worlds the idyllic vision fades in an inescapable moment of awakening This moment which is central to MacKethan s study produces an atmosphere pastoral in mood and implications Her perspective analysis juxtaposes the responses of Sidney Lanier Joel Chandler Harris and Thomas Nelson Page who contributed to yet hope to transcend sectionalism with the ambivalent views of black writers Charles Chesnutt and Jean Toomer Considering the writings of the Agrarians William Faulkner and Eudora Welty MacKethan

then concludes her study by questioning whether the Arcadian dream still serves the artist of our era as a frame for artistic and ideological purposes **The Companion to Southern Literature** Joseph M. Flora, Lucinda Hardwick MacKethan, 2001-11-01 Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature but this is the first companion Neither a survey of masterpieces nor a biographical sourcebook The Companion to Southern Literature treats every conceivable topic found in southern writing from the pre Columbian era to the present referencing specific works of all periods and genres Top scholars in their fields offer original definitions and examples of the concepts they know best identifying the themes burning issues historical personalities beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory Read the copious offerings straight through in alphabetical order Ancestor Worship Blue Collar Literature Caves or skip randomly at whim Guilt The Grotesque William Jefferson Clinton Whatever approach you take The Companion s authority scope and variety in tone and interpretation will prove a boon and a delight Explored here are literary embodiments of the Old South New South Solid South Savage South Lazy South and Sahara of the Bozart As up to date as grit lit K Mart fiction and postmodernism and as old fashioned as Puritanism mules and the tall tale these five hundred entries span a reach from Lady to Lesbian Literature The volume includes an overview of every southern state s belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche The South s lavishly rich literature provides the best means of understanding the region s deepest nature and The Companion to Southern Literature will be an invaluable tool for those who take on that exciting challenge Description of Contents 500 lively succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors including scholars writers and poets 2 tables of contents alphabetical and subject and a complete index A separate bibliography for most entries
