A Sienese Painter of the Franciscan Legend Bernard Berenson, 1910 **A Sienese Painter of the Franciscan Legend** Bernard Berenson, 1919 A Sienese Painter of the Franciscan Legend (Classic Reprint) Bernard Berenson, 2017-11-19
Excerpt from A Sienese Painter of the Franciscan Legend I thank the Editor of the Burlington Magazine for the permission to republish the articles which make up this small book They gave rise to certain misunderstandings which were probably due in the first place to the fact that they touch too rapidly upon too many things and in the second place to a question of emphasis I had hoped to help clear my meaning by adding three other essays elaborating what I had to say about the religious painting of China and Japan about imaginative design and above all about the claims of illustration as a separate art About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **SIENESE PAINTER OF THE FRANCIS** Bernard 1865-1959 Berenson, 2016-08-27

Bernard Berenson, the Making of a Legend Ernest Samuels, Jayne Samuels, 1987 Controversy swirls around Bernard Berenson today as it did in his middle years before and between two world wars Who was this man this supreme connoisseur of Italian Renaissance painting How did he support his elegant estate near Florence his Villa I Tatti What exactly were his relations with the art dealer Joseph Duveen What part did his wife Mary play in his scholarly work and professional career The answers are to be found in the day to day record of his life as he lived it as reported at first hand in his and Mary's letters and diaries and reflected in the countless personal and business letters they received His is one of the most fully documented lives of this century Ernest Samuels having spent twenty years studying the thousands of letters and other manuscripts presents his story in absorbing detail Berenson helped Isabella Stewart Gardner build her great collection and performed similar though lesser services for other wealthy Americans It was merely an avocation and a useful source of income his vocation was scholarship But after 1904 when the book opens his expertise was in ever greater demand a purchaser's only assurance of the authorship of an Italian painting was the opinion of an expert and in this field Berenson was pre eminent Increasingly he was drawn into the lucrative world of the art dealers inevitably Joseph Duveen found it essential to enlist his services at first ad hoc then by contractual agreement Samuels charts the course of Berenson's long association with Duveen Brothers detailing the financial arrangements the humdrum chores and major contested attributions the periodic clashes

between the stubborn scholar and the arrogant entrepreneur The portrayal of Berenson s relationship with Mary is especially intriguing a union of opposites in all but brains and wit bonded despite love affairs jealousies recriminations no longer by passion but by shared concerns Impinging on their lives are those of a huge circle of friends and acquaintances in America and the beau monde of Europe Both as biography and as a chapter of social and cultural history it is a compelling book
