become as a humanity **UFO Cover-up** Bill Fawcett, Lawrence Fawcett, Barry J. Greenwood, 1990-07 Using recently declassified government files the authors present a compelling argument that the government knows a great deal more about UFOs than it has shared with the public and has in fact deliberately concealed the findings of more than 30 years of investigations Photographs *What The Aliens Told Us About God, Jesus, Human Soul And The Afterlife* Maximilien De Lafayette, 2016-07-30 What The Aliens Told Us About God Jesus Human Soul And The Afterlife From the secret aliens US meetings in 1947 and 1948 and the account of Maria Orsic Published by Times Square Press New York If you are among those who believe that our government's representatives met with aliens extraterrestrials then and logically you should entertain or consider the possibility that some of the subjects discussed during those meetings would be of a religious or at least moral or ethical nature especially since at least three powerful religious leaders in our country attended one or two meetings with aliens on an American soil In fact this is exactly what happened And we will be discussing the concerns and the questions of those religious dignitaries the answers of the aliens and how a synopsis of the discussions between our religious leaders and aliens ended up on the desk of religious authorities thanks to their religious affiliation and or loyalty to their faith's hierarchy UFO Frontier Kenny Young, S. documents for each year is followed by a section called While You Were Away from Your Desk which provides historical and cultural context for the document summaries and examines other sightings and contacts that are not mentioned in the CIA files Among the fascinating tidbits are A memo to J Edgar Hoover about flying saucer reports The 1949 conference at Los Alamos that include Edward Teller upper atmosphere physicist Dr Joseph Kaplan and other renowned scientists in which the participants debated whether recent incidents were natural phenomena or UFO sightings This is a must have book for those fascinated by the history of UFO sightings and those interested in government secrets and cover ups **Angels or Aliens?** James Brouillette, 2020-01-29 Join the journey and examine the mysterious physical remains present on earth that are being used to mount a new attack against Christianity The reason for these ancient remains existence here on this planet is explained using scripture Angels or Aliens explores giants flying vehicles and angels as they are discussed and explained in the Bible and how they relate to the coming assault against Christians everywhere by this new theological lie This new false doctrine is explored which is now being prepared and developed in order to replace the Theory of Evolution as the Godless answer to mankind s origin This unique look at the modern world from a biblical point of view provides a positive Christian vision and reinforces the fact that God is in control and through Christ the victory is ours In addition through the process the reader is exposed to some possible end time scenarios that they may not have previously imagined After studying the media and the communication in which it engages Brouillette has identified a systematic indoctrination that has taken place over the last sixty years in the area of the existence of life on other planets and Angels or Aliens exposes this newest attack against the Christian belief that our world was created by God Using scripture this new humanist attack is debunked and the relationship this new theory might have with end times prophecy is exposed **The Government UFO Files** Kevin D Randle, 2014-04-21 Secrets and Suppressed Evidence Hidden plots cover ups and misleading statements Coincidences or Lies Sifting through hundreds of historical and government documents interviewing multitudes of participants and tracking countless leads a former army officer trained as an intelligence officer presents a case for government incompetence and potentially malfeasance Shining a harsh light on the government and its secrets The Government UFO Files The Conspiracy of Cover Up investigates what the government knows about encounters with UFOs alien life and mysterious activities The government has long collected information and assembled files on unidentified objects extraterrestrial encounters and strange convergences in the skies but with new government secrets constantly being revealed including finally admitting the existence of Area 51 is it too much to believe that it is hiding important information on close encounters UFOs and alien life Combing FBI FAA and other government files this revealing book thoroughly examined nearly 100 sightings and other occurrences including Alien abductions and encounters Foo Fighters Silver Disks Ghost Rockets and Fireballs The SETI search for extraterrestrial life And much much more The Government UFO Files sorts through the information sources and it lets you decide whether the government is being deliberately misleading or whether the conspiracy theories have gotten out
