The Not So Famous Battersea Boy brian gaskin,2019-06-15 A tale filled with humour and sadness sprinkled with stories of a life lived to the full with lots of bumps on the way from humble beginnings in the industrial working class area of Battersea South West London to the secrets of a celebrity chauffeur rubbing shoulders with those in Government British Aristocracy and the world of entertainment this autobiography takes the reader on a roller coaster ride of highs and lows The author describes what it was like to be young in the 1960s reliving stories of a happy childhood the heartache of a becoming a short lived parent his struggle to rebuild his life after appalling tragedy and the joy of becoming a father at the age of 53 Then just when the future was looking good Brian received devastating news that was to shatter his family s happiness as he began a long and frightening battle to overcome illness in what should have been the golden years of his life The Cabin Boy William Pitt,1840 **Hanging Hill** Mo Hayder,2012-02-07 In this powerful and frightening British thriller two estranged sisters confront a crime that exposes the nightmares that lurk at the edges of domesticity Irish Independent On a picture perfect morning in Bath England a teenage girl s body is found on the towpath of a canal Police detective Zoe Benedict is convinced the department head should look beyond the usual domestic motives to solve the brutal murder case But no one wants to hear any far fetched ideas from the department s black sheep Meanwhile Zoe s sister Sally has started working as a housekeeper for a wealthy entrepreneur whose eccentricities are beginning to seem increasingly repugnant and possibly dangerous As Zoe digs into the case and Sally s suspicions grow all signs point to one conclusion There s something very wrong at the house on Hanging Hill A chiller to the very end Hayder deals with Britain at its grittiest Peter Millar The Times London Mo Hayder has crafted a powerful and frightening thriller that grips the reader from page one to the blood freezing shock of the final page Utterly compelling Irish Independent A superbly plotted tale with an end more alarming than anything that comes before New York Daily News Chase: A BookShot James Patterson,2016-08-02 When a man falls to his death it looks like a suicide but Detective Michael Bennett finds evidence suggesting otherwise A man plunges to his death from the roof of a Manhattan hotel It looks like a suicide except the victim has someone else s fingerprints and 10 000 in cash Enter Detective Michael Bennett BookShots Lightning fast stories by James Patterson Novels you can devour in a few hours Impossible to stop reading All original content from James Patterson **Licensed to Laugh** Charlie Woodham,2015-07-29 Licensed to Laugh is Charlie Woodham s life story full of hilarious tales from his early school days National Service antics and amusing anecdotes from a varied working life including 5 years as a Pub Landlord the only way to tackle the job was to use the pub s powerful vacuum cleaner I approached the cage rather as a soldier with a flame thrower might approach a machine gun bunker The sodding parrot never took its eyes off me all its feathers fluffed up and it made a sort of low growling noise this was war I lunged forward pushed the nozzle between the bars and with much screeching the parrot began its attack A swirling cloud of old bird seed feathers and dried parrot shit poured forth from the

cage I stuck gamely to my task I stepped back to view my handiwork As the dust settled I saw a clean cage and a semi bald parrot In my frenzied efforts I had managed to suck up a lot of its feathers The landlord returned looking tanned and fit mind you the tan faded a shade or two when he saw what was left of his beloved parrot He was not convinced by my explanation that the parrot s condition was probably caused by what I described rather creatively I thought as seasonal moulting

The Dressmaker Connection Bryan Lightbody,2008-12-11 London 1904 capital of the world s most powerful industrial nation Inspector Robert Ford is a protection officer in the Metropolitan Police Special Branch He is assigned to the Minister

of War following a threat to him and his staff from a seemingly deranged ritualistic murderer What Ford doesn't know is that the identity of the murderer is all too apparent to the Minister who cannot let on for fear of a national scandal The truth would then escape about his misuse of military resources to further his own financial interests from his industrial concerns in oil Ford has to not only protect his principal but piece together the scant clues that he finds to discover the identity and motive for the killer The story centres in London and major capitals in Europe where the Minister exercises his Machiavellian scheming to obtain funds from the Catholic Church in exchange for allowing them mission in the countries he intends to subjugate through industrialisation Ford begins an affair with the Minister's mistress the household dressmaker This creates dangerously torn loyalties for Ford as he discovers how cruel his employer is to those around him There are also dark forces working to eliminate the threat from the murderer but totally counter to Ford's interests With flashbacks to Robert Ford's life prior to his involvement in the infamous Whitechapel Murders we discover the individual that he is dogged in his determination to succeed and survive against any odds The Dressmaker Connection brings to life the sights of Edwardian London and transports us to pre World War One Paris Prague Rome and Venice The murderer is relentless in his quest against the Minister with each attack more brutal than the last It seems no one is safe including those assigned to the very job of protection

Heavy Duty Attitude Iain Parke, 2024-05-21 I liked your book he said as we shook hands across the table Well thanks I answered guardedly as I slid onto the bench seat opposite him and sat down It was around three months since it had come out and so just coming up to about a year since his election You mean the one that just about stopped short of saying that you killed him I asked or that you at least had him killed Yes he nodded with a smile on his wolfish face I particularly liked that part Iain had written a book about The Brethren MC and how powerful they could be He knew it was a dangerous thing to have done whether they liked it or not and one that had taken him part way into their world And now it was his turn Now a new President with big boots to fill was going to make him an offer he was going to find difficult to refuse and once in the outlaw biker's world steeped in the smells of engine oil and leather would he ever be able to get out again And as an outsider on the inside with serious trouble looming who if anyone can he trust The second instalment of the Brethren MC Trilogy a British Sons of Anarchy

The Crossroads Brotherhood Robert Fabbri, 2011-12-25 Rome AD 25 Marcus

Salvius Magnus Patron of the Crossroads Brotherhood has a problem In fact he has two One of the brothels under his protection has been raided by a rival Brotherhood and valuable merchandise has been stolen He can't lose face and let the attack go unpunished but how can he retaliate without igniting a gang war At the other end of the social spectrum Lady Antonia the emperor's sister in law has let Senator Gaius Vespasius Pollo know that she has a score that only blood will settle and Magnus owes the Senator a favour Now a simple assassination wouldn't be a problem for a man like Magnus but the instruction is that this death has to be a little more inventive than the usual knife in the back in a dark alley Perhaps the Patronus of the Crossroads Brotherhood can kill two birds with one stone A VESPASIAN NOVELLA
