My Village In Yugoslavia:

My Village in Yugoslavia Sonia Gidal, 1947 Area Handbook for Yugoslavia Gordon C. McDonald, 1973 General study of Yugoslavia covers the historical setting geographical aspects the social structure and living conditions ethnic groups the political system and the economic structure culture and education agriculture industry trade foreign policy and defence etc Bibliography pp 553 to 630 glossary maps and statistical tables **Neighbors at War: Anthropological Perspectives on Yugoslav Ethnicity, Culture, and History** , Before the former Yugoslavia was divided by wars its inhabitants successfully lived side by side in peace This collection seeks to explain how former neighbors became enemies with the hope that understanding what drove these peoples apart will help us discover ways for them to coexist in peace again Contributors analyze political cartoons psychiatry the arts visual media and law to present a diversity of views on the conflicts in Yugoslavia While the chapters in this book deal with regional developments they are not so much focused on politics as they are concerned with how values and attitudes are altered and new identities formed Thus this volume goes beyond recent journalistic accounts and should remain relevant for years to come This book began as a special issue of the journal *Anthropology of East Europe Review* Most of the contributors to that issue have revised their chapters for this collection and new chapters have been added including one on the recent war in Kosovo Essays range across all of former Yugoslavia emphasizing the variability and diversity of ethnic relations throughout its history Contributors are Mart Bax Brian C Bennett Nikolai Botev Bette Denich Elinor Despalatovi Hannes Grandits Joel M Halpern E A Hammel Robert M Hayden Goran Jovanovic va V Huseby Darvas David A Kideckel Mirjana Lausevic Lynn D Maners Julie Mertus Robert Gary Minnich Rajko Mursi Edit Petrovic Christian Promitzer Mirjana Prosic Dvornic Janet Reineck Jonathan Matthew Schwartz Andrei Simic and Stevan M Weine *Nationalism and Yugoslavia* Pieter Troch, 2015-08-18 Created after World War I Yugoslavia was a combination of ethnically religiously and linguistically diverse but connected South Slav peoples Slovenes Croats and Serbs but also Bosnian Muslims Macedonians and Montenegrins in addition to non Slav minorities The Great Powers and the country's intellectual and political elites believed that a coherent identity could be formed in which the different South Slav groups in the state could identify with a single Balkan Yugoslav identity Pieter Troch draws on previously unpublished sources from the domain of education to show how the state's nationalities policy initially allowed for a flexible and inclusive Yugoslav nationhood and how that system was slowly replaced with a more domineering and rigid top down nationalism during the dictatorship of King Alexander I who banned political parties and coded a strongly politicised Yugoslav national identity As Yugoslav society became increasingly split between the pro Yugoslav central regime and anti Yugoslav opposition the seeds were sown for the failure of the Yugoslav idea Nationalism and Yugoslavia provides a valuable new insight into the complexities of pre war Yugoslavia *The Mind Chronicles* Barbara Hand Clow, 2006-12-26 A record of past lives experienced through hypnotic regression Unlocks the primordial memory bank of planetary consciousness Explores the past

lives of spiritual teacher Barbara Hand Clow at sacred sites during historical periods critical to the development of human consciousness With illustrations by Angela Werneke illustrator of Medicine Cards First editions collectively sold 60 000 copies Combined for the first time in one updated and revised volume the three books of The Mind Chronicles Trilogy Eye of the Centaur Heart of the Christos and Signet of Atlantis show that all the places times and beings we have ever known exist now in our memory banks Using the mind state produced during 100 sessions of hypnotic regression Barbara Hand Clow unlocks the primordial memory bank the records of time in which all humans participate offering readers critical information to reflect upon now In The Mind Chronicles Clow guides readers through 100 000 years of human history using in depth experiences of initiations and sacred ceremonies to illuminate the forgotten wisdom of our ancestors She shows that this ancient knowledge which is contained deep within all of us is becoming even more relevant as the Mayan Calendar comes to a close and a new stage of evolution begins

Once Upon a Yugoslavia Surya Green, 2015-11-17 It is 1968 Across America citizens march for social reform and an end to the Vietnam War Amid all this Surya Green a New York born self absorbed modern young woman is a student at Stanford University blithely pursuing a graduate degree in communication Her view of life's purpose unexpectedly starts to expand when she says Yes when her Stanford film mentor selects her for a writing job at Zagreb Film in Yugoslavia Family and friends marvel at her courage or foolishness The Zagreb studio may be the renowned producer of the first non American animated film to win an Oscar but it is in a country most Americans fear and reject as communist Green has no idea that her stay in Yugoslavia will ultimately take her beyond national borders to the outermost limits of her mind Although penned in the first person against the backdrop of Tito's Yugoslavia in historic 1968 *Once Upon a*

Yugoslavia is paradoxically most timely The global economic crisis has compelled people to question excessive consumption and redefine success and the good life while embracing new lifestyle priorities just as Yugoslavia required of Surya Green decades ago Once Upon a Yugoslavia addresses this present day longing while also offering a lively history lesson History books have objectively described the former Yugoslavia but Once Upon a Yugoslavia gives personalized look at the everyday lives of people in pre 1989 Eastern Europe that shows how the experience transformed one young woman s American Dream Chronicling the sights sounds and ups and downs of the everyday Yugoslav existence Green speaks to both the positive and negative aspects of the contemporary phenomenon known as Yugo nostalgia The pros and cons of the American and Yugoslav societies fly to and fro during Surya s conversations with a host of colorful characters some of whom she lodges with and travels the countryside with others of whom she dates In this strange Big Brotherish country of perplexing language culture and customs which gives Surya an early experience of living a monitored life without privacy in a land where paranoia is contagious more than once readers will hear her sobbing at night Ultimately the Yugoslav social experiment its plus points at least were to give Surya Green a considerably altered view of the American values with which she was raised And it is what led to that perspective a personal transformation that started for her in explosive memorable life changing 1968 in Tito s Yugoslavia and continues to this day which makes Once Upon a Yugoslavia such a unique and remarkable book From the Trade Paperback edition

A History of Yugoslavia Marie-Janine Calic, 2019-02-15 Why did Yugoslavia fall apart Was its violent demise inevitable Did its population simply fall victim to the lure of nationalism How did this multinational state survive for so long and where do we situate the short life of Yugoslavia in the long history of Europe in the twentieth century A History of Yugoslavia provides a concise accessible comprehensive synthesis of the political cultural social and economic life of Yugoslavia from its nineteenth century South Slavic origins to the bloody demise of the multinational state of Yugoslavia in the 1990s Calic takes a fresh and innovative look at the colorful multifaceted and complex history of Yugoslavia emphasizing major social economic and intellectual changes from the turn of the twentieth century and the transition to modern industrialized mass society She traces the origins of ethnic religious and cultural divisions applying the latest social science approaches and drawing on the breadth of recent state of the art literature to present a balanced interpretation of events that takes into account the differing perceptions and interests of the actors involved Uniquely Calic frames the history of Yugoslavia for readers as an essentially open ended process undertaken from a variety of different regional perspectives with varied composite agenda She shuns traditional deterministic explanations that notorious Balkan hatreds or any other kind of exceptionalism are to blame for Yugoslavia s demise and along the way she highlights the agency of twentieth century modern mass society in the politicization of differences While analyzing nuanced political and social economic processes Calic describes the experiences and emotions of ordinary people in a vivid way As a result her groundbreaking work provides scholars and learned readers alike with an accessible trenchant and authoritative introduction to Yugoslavia s complex
