Mystical Union In Judaism Christianity And Islam An Ecumenical Dialogue:

Mystical Union in Judaism, Christianity, and Islam Moshe Idel, Bernard McGinn, 2016-10-06 Mystics who have spoken of their union with God have come under suspicion in all three major religious traditions sometimes to the point of condemnation and execution in the case of Christianity and Islam Nevertheless in all three religions the tradition of unio mystica is deep and long Many of the spiritual giants of these three faiths have seen the attainment of mystical union as the heart of their beliefs and practices Despite its importance mystical union has rarely been investigated in itself apart from the wider study of mysticism and even more rarely from the aspect of comparative studies especially those based upon broad and expert knowledge of the inner life of the three related monotheistic faiths This text brings together essays that equally explore the broader idea of unio mystica as well as the mystic traditions within each religion **Mystical Union and**

Monotheistic Faith Moshe Idel, Bernard McGinn, 1989 *Mysticism in Judaism, Christianity, and Islam* Ori Z. Soltes, 2009

Throughout the ages and across religious traditions people have yearned to personally experience God and deeply connect with the Creator In *Mysticism in Judaism Christianity and Islam* Ori Z Soltes traces the sweep of mysticism this search for oneness with God throughout the three Abrahamic traditions This unique comparative overview begins with a definition of mysticism and a discussion of its place within religion as a whole Soltes then explores the history of mysticism from Biblical times through the present day highlighting the emergence of mysticism within the three traditions and how beliefs and practices converge and diverge over time The final chapters discuss the growing interest in mysticism today through practices such as Kabbalah and how people publicly express their private encounters with God through art literature and other modern media Revisioning Transpersonal Theory Jorge N. Ferrer, 2002-01-01 A participatory alternative to the

perennialism and experientialism dominant in transpersonal psychology **Minding the Spirit** Elizabeth A. Dreyer, Mark S. Burrows, 2005-01-02 Sheldrake Jon Sobrino Wendy M Wright Bruce Hindmarsh Books and Culture A Christian Review

The Kabbalistic Culture of Eighteenth-Century Prague Sharon Flatto, 2015-09-03 Sharon Flatto s comprehensive study offers the first systematic overview of the eighteenth century Jewish community of Prague and the first critical account of the life and thought of its pre eminent rabbinic authority Ezekiel Landau Her detailed analysis firmly rooted in the historical and cultural context of the period challenges the conventional portrayal of Landau as a staunch opponent of esoteric practices and reveals the centrality of kabbalistic thought in this key central European city **The Vital Mystic** T. Collins

Logan, 2009-03 Mysticism is a journey of personal transformation The *Vital Mystic* describes that journey in careful detail providing tools techniques and insights that support a deepening mystical practice As mysticism opens doors to our innermost Self it introduces us to powerful currents flowing beneath the surface of consciousness With careful preparation immersing ourselves in those currents can be inspiring edifying and empowering How can we ensure our mystical practice remains vital and alive First we can explore patterns of thought and emotion that hinder our ability interpret mystical

information and gently reshape those patterns in constructive ways Second we can focus our mystical efforts on the most positive spiritually enriching outcomes The Vital Mystic also explores common questions and hurdles encountered during mystical practice so that regardless of what challenges arise we can remain grounded purposeful and compassionate in all of our choices First published in 2003 The Vital Mystic lays much of the groundwork for the development of Integral Lifework by T Collins Logan in subsequent years

The Oxford Handbook of Religion and Emotion John Corrigan, 2008-01-02

The academic study of religion recently has turned to the investigation of emotion as a crucial aspect of religious life Researchers have set out in several directions to explore that new terrain and have brought with them an assortment of instruments useful in charting it This volume collects essays under four categories religious traditions religious life emotional states and historical and theoretical perspectives In this book scholars engaged in cutting edge research on religion and emotion describe the ways in which emotions have played a role in Buddhism Christianity Judaism Islam and other religions They analyze the manner in which key components of religious life ritual music gender sexuality and material culture represent and shape emotional performance Some of the essays included here take a specific emotion such as love or hatred and observe the place of that emotion in an assortment of religious traditions and cultural settings Other essays analyze the thinking of figures such as St Augustine Soren Kierkegaard Jonathan Edwards Emile Durkheim and William James This collection offers a range of critical perspectives on the academic study of religion and emotion in the form of syntheses provocations and prospective observations that will inform the work of those already engaged in the field Taken together the writings included in this handbook serve as an ideal entry point for anyone wishing to familiarize themselves with the new academic study of religion and emotion

Tree of Souls Howard Schwartz, 2006-12-27

Drawing from the Bible the Pseudepigrapha the Talmud and Midrash the kabbalistic literature medieval folklore Hasidic texts and oral lore collected in the modern era Schwartz has gathered together nearly 700 of the key Jewish myths For each myth he includes extensive commentary revealing the source of the myth and explaining how it relates to other Jewish myths as well as to world literature from publisher description

Cultural Encounters in Contemporary Spain Debra Faszler-McMahon, 2010-07

Previous critical studies have focused on feminist approaches to Janes s oeuvre This study seeks to expand those discussions through an analysis of the aesthetics of cultural otherness rather than simply gendered otherness within Janes s prolific literary production

Glimpses of God Paul O. Ingram, 2022-05-05

Glimpses of God And Other Essays is a collection of theological reflections on seventeen interrelated subjects written by a historian of religion inspired by the work of Alfred North Whitehead and the process theological vision of John B Cobb Jr Each essay has its own distinctive topic while being interdependent with the other seventeen essays

Desire in Dante and the Middle Ages Manuele Gagnolati, 2017-07-05

This volume takes Dante s rich and multifaceted discourse of desire from the Vita Nova to the Commedia as a point of departure in investigating medieval concepts of desire in all their multiplicity fragmentation and interrelation As well as

offering several original contributions on this fundamental aspect of Dante's work it seeks to situate the Florentine more effectively within the broader spectrum of medieval culture and to establish greater intellectual exchange between Dante scholars and those from other disciplines The volume is also notable for its openness to diverse critical and methodological approaches In considering the extent to which modern theoretical paradigms can be used to shed light upon the Middle Ages it will interest those engaged with questions of critical theory as well as medieval culture **Reclaiming Goodness** Hanan

A. Alexander, 2001-05-22 *Reclaiming Goodness* Education and the Spiritual Quest begins with the premise that sound models for achieving both spiritual fulfillment and the good life are lacking in contemporary culture Arguing that contemporary education is responsible for having abandoned spirituality and the cultivation of goodness in people Hanan A. Alexander advances a definition of spirituality which acknowledges an integral connection to education *Reclaiming Goodness* charts a way to reintegrate ethical and spiritual values with the values of critical thought and reason Written in accessible and non technical prose it will be of interest to professional educators as well as to a wider audience **Mystics** William

Harmless, 2008 In *Mystics* William Harmless S J introduces readers to the scholarly study of mysticism He explores both mystics extraordinary lives and their no less extraordinary writings using a unique case study method centered on detailed examinations of six major Christian mystics Thomas Merton Bernard of Clairvaux Hildegard of Bingen Bonaventure Meister Eckhart and Evagrius Ponticus Rather than presenting mysticism as a subtle web of psychological or theological abstractions Harmless's case study approach brings things down to earth restoring mystics to their historical context Living without a

Why Paul O Ingram, 2015-04-30 In this book Paul O Ingram adds his voice to a long list of writers seeking to relate Christian tradition to the hard realities of this post Christian age of religious and secular pluralism As a Lutheran Ingram thinks grace flows over this universe like a waterfall So he brings Christian mystical theology into a discussion of the meaning of grace Alfred North Whitehead's philosophical vision provides a language that serves as a hermeneutical bridge by which historians of religions can interpret the teachings and practices of religious Ways other than their own without falsification and by which theologians can appropriate history of religions research as a means of helping Christians advance in their own faith journeys The purpose of the journey of faith is what Whitehead called creative transformation The contemporary theological tradition that has most systematically and coherently followed Whitehead's lead in its reflection on non Christian Ways is process theology which is perhaps the only liberal or progressive theological movement now active in the twenty first century

A History of Mysticism Richard H. Jones, 2024-04-01 This book offers a historical overview of mysticism in the world's major religious traditions Beginning with a chapter on the nature of mystical experiences *A History of Mysticism* then turns to a discussion of mysticism's prehistory in shamanism and the early use of psychedelics The possible role of mystical experiences among early Greek philosophers including Socrates and Plato is subsequently addressed followed by chapters on mysticism in Judaism Christianity Islam Hinduism Buddhism Daoism and a variety of present day iterations including New

Age mysticism secular mysticism and the scientific study of mystical experiences An appendix covering popular misunderstandings of mystical experiences and mysticism is also included Written in a clear accessible style this book is suitable for students of religion and philosophy as well as general readers interested in mysticism and the world's variety of mystical traditions

Muhammad and Jesus William E. Phipps, 2016-10-06 This carefully researched and provocative treatment of the two most influential persons in world history sets aside the cultural prejudices that often hamper open honest comparison of Muhammad and Jesus Phipps begins with a thorough biographical investigation of the early lives of the Meccan and the Nazarene and a thoughtful assessment of their later contributions as statesman and reformer He then debunks many of the invidious myths about Jesus and Muhammad during the course of a careful exploration of the ways in which they interpreted Hebrew Scriptures their prescriptions for moral conduct and their attitudes toward rewards and punishment on earth and in the afterlife

Calling Time Martyn Percy, 2016-10-06 This collection of essays examines responses to the Millennium and whether or not the year 2000 could be claimed as a specifically Christian time It also considers how other religions reacted to the moment and what millennial celebrations reveal about religion in a secular age

Turning Points in Religious Studies Ursula King, 2016-10-06 Religious Studies was first introduced as a new discipline in universities and colleges around the world in the 1960s This discipline brought about a reorientation of the study of religion created new perspectives and influenced all sectors of education The essays presented in this volume provide a clear and comprehensive overview of the history of Religious Studies as an academic discipline the turning points it faces and the directions it might take in the future The work is organised in three sections The first presents a succinct case study of the historical development of Religious Studies in Britain The second considers the development of Religious Studies throughout the world in its major constituents including Hinduism Buddhism Sikhism traditional African religions Christianity Islam and new religious movements in Africa the study of truth and dialogue in religion science and the rediscovery of religious experience mysticism The third section looks to developments in Religious Studies in particular at religion in relation to the arts gender information technology and to Religious Studies in a global perspective

Theology in Global Context Amos Yong, Peter G. Heltzel, 2016-10-06 Robert Cummings Neville has been a consistent advocate for the necessity of global theology Early in his career he realized that the philosophical framework of the West alone was inadequate for a truly global theology Since then he has sought to develop theology creatively and responsibly within the world context The original essays in this volume written in his honour by fellow theologians participate in and model the kind of dialogical global theology embodied in Neville's work
