Mythosian Chronicles II:

Cat Chronicles Richard Hurd, 2007-02-01 Our Demons Our Forefathers Ghostly Encounters in a Sleepy New England Town is a collection of supernatural encounters that span a period of almost three decades The stories primarily involve the DeMello family of Westport Massachusetts as well as some of their closest friends A collaboration between two best friends this book embodies the struggles and discoveries of living with the ghosts of the past Some of the tales are humorous and wrought with folly while other are chilling and evoke questions about the afterlife Enjoy a walk through the ghostly underbelly of this scenic oceanfront town The adventures and encounters will enchant haunt and entertain as you travel through time and meet some of the colorful personalities of Westport both living and dead **Bloodroot: 101 Dadmations** Tim Lewis Rue, 2009-12-22 Lewis Lew B Castner my maternal grandfather was a night watchman boilerman when he passed away at the age of 75 on March 11 1963 Lew was an ordinary hard working man neither financially wealthy nor famous However Lew was wealthy with friends and family the rooms at the funeral home in Belvidere were packed with people Lews funeral service provided inspiration for this book The pastor gave a short sermon he then asked if anyone cared to tell a tale about my grandfather A number of people one after another stood up and told a story about Lew I was eight and wished that I had a pad and a pen to record the stories regretting that they would be lost to memory The compilation of these stories as poems is to preserve them from being lost to memory Bloodroot was the name of a plant displayed in my botany class at West Virginia Wesleyan College The stem when cut resembles bleeding In regards to genealogical bloodlines I concluded that the term Bloodroot would be a good title for this collection of mostly family stories My daughter Beth Ann suggested the title 101 Dadmations and the two were combined Bloodroot 101 Dadmations **Centaur Chronicles** Richard Hurd, 2008-06 Centaur Chronicles follows the adventures of a human scientist from an alternate time line that ends up on the planet Mythos This college professor gets unwillingly transformed into a centaur to save himself from dying in a laboratory experiment gone horribly wrong The magic of Mythos is his only hope of survival as technology is useless in his particular case As a centaur he adopts the name Centaur and he has to get used to his new much larger muscular body Centaur quickly learns his new body has instincts of its own that will not be denied Along the way he becomes the ideal leader of the centaur community Part of his new job is to figure out how to best combine ancient mythology and futuristic technology in such a way as to best benefit all centaurs and his new adopted homeworld At the same time he has to cope with the loss of his own personal past as it is discovered he and Ambassador Cat share more than just common genetics **Lord Wizard Chronicles** Richard Hurd, 2006-05-01 This book is entitled Ride the Wave of Change The Ultimate Guide for Life Surfing because of the similarities between the skills used in ocean surfing and the way we strive to manage change and uncertainty in our lives Ocean surfing is more than a sport for many it has become a way of life This book uses this analogy because it compares the dispositions of ocean surfers and the cyclical nature of waves in the ocean with what it takes to successfully ride the waves of

change in our lives The mentality of ocean surfing when applied to our everyday lives affords us the opportunity to learn how to face life s unexpected changes with a sense of balance born from optimism and confidence This ability to do this called life surfing This book will teach you how to become a life surfer by using practical techniques to handle both the unexpected those not chosen and expected those chosen changes in your life The book has three sections The first six chapters present the basic concepts used to build life surfing skills the next five chapters define the Charm process which includes life surfing techniques and exercises to keep you maintain control during times of transition and uncertainty and the last few chapters provide advanced techniques and exercises for remaining positive when life gives you the most challenging waves to ride The techniques and exercises provided in this book not only have the potential to help you become a great life surfer they will also impact your life in positive ways and influence how you will ride your waves of change forever Myths and Monsters Frank Joseph Verderber,Ann Marie Rosberg,Carol Verderber (A.),2005
