NUDE Tara Portelli CHNP CHN CCH,2022-11-28 Tara Portelli teaches readers how to transform their pain into empowerment in order to live a divinely guided life as the authentic self Each story and exercise in the book guides readers to release pain that keeps them stuck and helps them find what they long for most in their life Love peace and true joy Readers will learn to stop chasing love outside of themselves and to connect with self love instead Making the shift from pain to empowerment give readers a deep rooted sense of being in the world around them The Nude C. Michelle Lindley,2025-05-27 Art historian Elizabeth Clarke is sent to a remote island in Southern Greece to acquire a rare female nude sculpture for a Los Angeles collection Disoriented by time zones migraines and suspicious details surrounding the figure s discovery she s dependent on her flirtatious but guileless translator The last thing she expects is to be so pulled to his wife Theo a subversive artist who has amassed a small following for her provocative self portraits which seek to deconstruct the objectification of the female form As Elizabeth immerses herself in the island s cobblestoned mazes and sumptuous cuisine and falls deeper into an infatuation with Theo and Theo s art she starts to question her role in the acquisition of cultural artifacts And when after a hazy night out both Elizabeth and the nude are violated in divergent but damaging ways Elizabeth begins to see a parrallel between the sculpture and herself What does it mean for a woman to navigate morally complicated negotiations of property in a male directed world What other kinds of ownership or self ownership might be possible

L.A. Steel,2010-03-11 NAKED AT THE MIC The Survival of a Liberal in a Time of Peril is a book based upon 10 years of exhaustive research and personal experiences collected in an autobiographical and historical account of the national and international politics and the national social upheaval during the Conservative Revolution That political movement of Bush Fascism during the first decade of the 21st Century as I witnessed and reported it on my television and radio programs and my website www.lasteelshow.org during the years of 2000 to 2009 Naked at the Mic is also a public compliment to the many people who fought valiantly to print and broadcast truth and liberal commentary while the entire broadcast media was dominated and censored of Liberal Thought by the Conservative right wing media the G W Bush administration and the cabal of Muslim hating warmongers famously known as the NeoCons Naked at the Mic also commemorates the many heroic members of activist and citizen action groups and organizations that fight daily to protect themselves and their country from the insanity of G W Bushs administration and his minions and their nightmare reality of war genocide and slaughter in the Middle East and the cruel corrupt and oppressive government they imposed on the American people during their reign of terror and torture from 2000 to 2008 I speak honestly about the 2008 presidential candidates and the election of Barack Obama and why I voted for him and my great disappointment after his horrific betrayal of all who elected him The research for Naked at the Mic entailed over 5000 news articles that I have personally archived and preserved on paper to verify every quote and reference I make and over 100 books and over 500 recorded interviews with authors activists and politicians on 550 archived radio shows ten televised documentaries and 400 television programs I had produced up to 2009 when I completed this book Naked at the Mic is an honest look back through time at people and events that have been at the forefront of national and world changing events This book is a historical record of one of the most volatile decades in American and world history It reports and comments on many of the most important national and international issues from 2000 to 2009 I discuss in detail the corrupt 2000 presidential election 911 the Afghanistan and Iraq invasions Katrina and expose the massive corporate financial and political corruption and mass media cover ups until the end of 2009 I honestly expose left and right wing politics and give a unique front line perspective of the massive sea change of American Society that caused G W Bushs 75 percent approval rating in 2001 to his final approval rating of 24% in 2008 Naked at the Mic The Survival of a Liberal in a Time of Peril is honest fast moving highly informative and well researched and is an accurate

historical account of the characters involved with one of the longest running liberal radio shows in America during one of the most politically conservative and most destructive periods in American history that has led to the current economic military and moral demise of America Ralph Waldo Emerson once stated in his essay The Oversoul Oh Believe that every word that was meant for thine ear to hear will come to thee I believe a lot of people are meant to hear what this book has to say L A Steel
