Nudist Among Us:

He Dwells Among Us William Emmanuel Abraham, 2021-08-20 This book traces and clarifies steps towards the fulfillment of the promise to Abraham through the twists and turns of Israelite history to culminate in the unexpected manner of its fulfillment The manner of the fulfillment is to be understood not through prophecy but through Levitical Law which Jesus declared he had come to observe and not set aside To do otherwise would ignore that declaration and inevitably distort the nature of Jesus mission and salvific work This book accordingly provokes new questions but also leads to conformable answers Why would the magi come from Babylon to worship a Judahite baby Why was there the temptation in the wilderness Why did Jesus establish a priesthood How does Levitical law explain Jesus missing body Above all what does it really mean to say that the Son of God and Lord of life died

What Nudism Exposes Mary-Ann Shantz, 2022-10-01 What Nudism Exposes offers an original perspective on postwar Canada by situating the nudist movement within the broader social and cultural context and considering how nudist clubs navigated changing times As the nudist movement took root in Canada after the Second World War its members advanced the idea that going nude and looking at the bodies of others satisfied natural curiosity loosened the hold of social taboos and encouraged mental health By the 1970s nudists increasingly emphasized the pleasurable aspects of their practice Mary Ann Shantz contends that throughout the postwar decades nudists sought social approval as they engaged with contemporary concerns about childrearing sexuality public nudity and the natural environment This perceptive eminently readable book explains the perspectives of the movement while questioning its assumptions What nudism ultimately exposes is how the body figures at the intersection of nature and culture the individual and the social the private and the public
