Nudo Di Donna:

Roman Antiquities in Renaissance France, 1515-65 Professor Richard Cooper, 2013-10-28 Making use of new and original material based on firsthand sources this book interrogates the vogue for collecting discussing depicting and putting to political and cultural use Roman antiquities in the French Renaissance It surveys a range of activity from the labours of collectors and patrons to royal entries considers attacks on the craze for the antique and sets literary instances among a much wider spectrum of artistic endeavour While Renaissance collecting and antiquarianism have certainly been the object of critical scrutiny this study brings disparate fields into a single focus and it examines not only areas of antiquarian expertise and interest such as statues coins and books but also important individual historical figures The opening chapters deal with the role played in Rome by French ambassadors who sent back antiques to collectors at court who in the person of Jean Du Bellay undertook excavations and assembled a major personal collection which was housed in a new villa in the ruined Baths of Diocletian The volume includes a valuable appendix which presents in transcription catalogues of the collections of Cardinal Jean du Bellay *The Studio*, 1911 *New York Magazine*, 1983-06-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Bedtrick Wendy Doniger, 2022-08-22 Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln's truly terrible poem about a bedtrick You will learn that in Hong Kong the film The Crying Game was retitled Oh No My Girlfriend Has a Penis And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can't people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover **Leonard Maltin's 2009 Movie Guide** Leonard Maltin, Luke Sader, Mike Clark, 2008 Offers readers a comprehensive reference to the world of film including more than ten thousand DVD titles along with information
