Nugget Coombs A Reforming Life:

Nugget Coombs Tim Rowse, 2002-07-23 A 2002 biography of H C Nugget Coombs one of the most influential Australians of the twentieth century

Nugget Coombs Tim Rowse, 2005-09-27 H C Coombs was one of the most influential Australians of the twentieth century Born in 1906 he is best known as the governor of the Reserve Bank but the breadth of his activities and his commitment to public life until his death is unsurpassed Tim Rowse traces Coombs life from his childhood in Western Australia to his many roles as policy maker change agent advocate and adviser Particularly interested in Coombs as an economist Tim Rowse shows that a key motif in his life as a public servant was to create an economic rationality among the political elite that was socially integrative and that looked beyond the strictures of economics to environmental sustainability scientific and artistic creativity This 2002 book covers Coombs life from birth to death providing intriguing insights into the life of one of Australia's most influential people

Securing Village Life Scott MacWilliam, 2013-05-01 SECURING VILLAGE LIFE DEVELOPMENT IN LATE COLONIAL PAPUA NEW GUINEA examines the significance for post World War II Australian colonial policy of the modern idea of development Australian officials emphasised the importance of bringing development for both the colony of Papua and the United Nations Trust Territory of New Guinea The principal form that development took involved securing smallholders against the tendencies of other forms of capitalist development that might have separated households from land In order to make household occupation of their holdings more secure and at higher standards of living the colonial administration coordinated and supervised increases in production of crops and other agricultural produce Contrary to suggestions that colonial policy and practice ignored indigenous agriculture and concentrated on plantation crops grown by international firms and expatriate owner occupiers the study shows how the main focus was instead upon increasing smallholder output for immediate consumption as well as for local and international markets Simultaneously development stimulated increases in consumption including of goods produced through manufacturing processes and imported into the colony Only as Independence approached was the pre eminence of the earlier focus upon smallholders weakened In part the change occurred due to the political advance of the indigenous capitalist class and their allies seeking to extend their base in largeholding agriculture and related commercial activities This advance and the uncertainty over which form of development would prevail once indigenes held state power in post colonial Papua New Guinea stood in marked contrast to the definite direction pursued under the colonial administration of the 1950s and early 1960s

Australia's Boldest Experiment Stuart Macintyre, 2015-06-01 In this landmark book Stuart Macintyre explains how a country traumatised by World War I hammered by the Depression and overstretched by World War II became a prosperous successful and growing society by the 1950s An extraordinary group of individuals notably John Curtin Ben Chifley Nugget Coombs John Dedman and Robert Menzies re made the country planning its reconstruction against a background of wartime sacrifice and austerity The other part of this triumphant story shows Australia on the world stage seeking to fashion a new

world order that would bring peace and prosperity This book shows the 1940s to be a pivotal decade in Australia At the height of his powers Macintyre reminds us that key components of the society we take for granted work welfare health education immigration housing are not the result of military endeavour but policy planning politics and popular resolve

The Ivory Tower and Beyond Susan Cochrane,Doug Munro,Max Quanchi,2009-03-26 There is a tradition of participant history among historians of the Pacific Islands unafraid to show their hands on issues of public importance and risking controversy to make their voices heard This book explores the theme of the participant historian by delving into the lives of J C Beaglehole J W Davidson Richard Gilson Harry Maude and Brij V Lal They lived at the interface of scholarship and practical engagement in such capacities as constitutional advisers defenders of civil liberties or upholders of the principles of academic freedom As well as writing history they made history and their excursions beyond the ivory tower informed their scholarship Doug Munro s sympathetic engagement with these five historians is likewise informed by his own long term involvement with the sub discipline of Pacific History *A History of Canberra* Nicholas Brown,2014-09-29 Designed as an ideal city and emblem of the nation Canberra has long been a source of ambivalence for many Australians In this charming and concise book Nicholas Brown challenges these ideas and looks beyond the clichés to illuminate the unique layered and often colourful history of Australia s capital Brown covers Canberra s selection as the site of the national capital the turbulent path of Walter Burley Griffin s plan for the city and the many phases of its construction He surveys citizens diverse experiences of the city the impact of the Second World War on Canberra s growth and explores the city s political history with insight and wit A History of Canberra is informed by the interplay of three themes central to Canberra s identity government community and environment Canberra s distinctive social and cultural history as a centre for the public service and national institutions is vividly rendered

Stanley Melbourne Bruce David Lee,2010-05-20 Australia s Prime Minister and premier diplomat in the 1930 1940s this new biography presents him as a consistent

internationalist and places him in a global context Stanley Melbourne Bruce was at the centre of Imperial politics for more than two decades from the early 1920s until the end of the Second World War This new biography presents Bruce as a consistent internationalist Educated in Melbourne and Cambridge Bruce as a businessman was alive to the importance of international commerce and particularly Anglo Australian trade This lay at the core of his internationalism which took the form in the 1920s of encouraging the political and economic integration of the British Empire Bruce s punitive treatment of militant Australian trade unionists and his upholding of constitutionalism and law and order in the 1920s was part of an effort to defend one form of internationalism commitment to the British Empire against the competing international ideology of communism While continuing to support a unified British Empire acting as a progressive force in world affairs Bruce championed stronger international collaboration through the League of Nations and the United Nations and through cooperation between the Empire and the United States *Family Experiments* Shelley Richardson,2016-11-30 *Family Experiments* explores the forms and undertakings of family that prevailed among British professionals who migrated to Australia and New Zealand in the late nineteenth century Their attempts to establish and define family in Australasian suburban environments reveal how the Victorian theory of separate spheres could take a variety of forms in the new world setting The attitudes and assumptions that shaped these family experiments may be placed on a continuum that extends from John Ruskin s concept of evangelical motherhood to John Stuart Mill s rational secularism Central to their thinking was a belief in the power of education to produce civilised and humane individuals who as useful citizens would individually and in concert nurture a better society Such ideas pushed them to the forefront of colonial liberalism The pursuit of higher education for their daughters merged with and in some respects influenced first wave colonial feminism They became the first generation of colonial middle class parents to grapple not only with the problem of shaping careers for their sons but also and more frustratingly what graduate daughters might do next Lionel Robbins Susan Howson,2011-09-30 By the time of his death the English economist Lionel Robbins 1898 1984 was celebrated as a renaissance man He made major contributions to his own academic discipline and applied his skills as an economist not only to practical problems of economic policy with conspicuous success when he served as head of the economists advising the wartime coalition government of Winston Churchill in 1940 45 and of higher education the Robbins Report of 1963 but also to the administration of the visual and performing arts that he loved deeply He was devoted to the London School of Economics from his time as an undergraduate following active service as an artillery officer on the Western Front in 1917 18 through his years as Professor of Economics 1929 62 and his stint as chairman of the governors during the troubles of the late 1960s This comprehensive biography based on his personal and professional correspondence and other papers covers all these many and varied activities Teacher for Justice Heather Goodall,Helen Randerson,Devleena Ghosh,2019-08-26 *Teacher for Justice* is a major contribution to the history of the women s movement working class activism and Australian political internationalism

But it is more than this. By focusing on the life of Lucy Woodcock, an unrecognised and under-researched figure, this book rewrites the history of twentieth-century Australia from the perspective of an activist who challenged conventions to fight for gender, race, and class equality, exploring the complex and multi-layered intersections of these aspects. It explores Woodcock's personal relationships and the circles she mixed in, and the friendships she forged, as well as the conventions she challenged as a single woman in possibly a same-sex relationship. The book makes a key contribution to the history of progressive education and the experience of women teachers. Above all, it charts the life of a transnational figure who made connections globally and in particular with refugees and with women in India and the Asian region. It is a detailed, thoroughly researched and richly textured history which places Woodcock within the context of the times in which she lived.

Joy Damousi, Professor of History, University of Melbourne

Meet Lucy Woodcock, a complex, undaunted woman in a tough and changing world. From her role as a public school principal in Depression and wartime to her union and feminist organising to her transnational engagements for peace, this clear and thoughtful book brings to life forgotten forms of activism. It's the gripping story of how Lucy navigated the minefields of gender, class, race, and coloniality to change her world.

Raewyn Connell, Professor Emerita, University of Sydney

Just over a century ago, the last of the pupil teachers, Lucy Woodcock co-founded the NSW Teachers Federation. So many of the principles and traditions that underpin our union today can be traced back to the lifelong work of Lucy Woodcock. She fought for the industrial rights of teachers deep in the knowledge of the broader social and economic context in which she lived and worked. Too often, the role of working-class women, whose influence is profound, is ignored. This biography installs Lucy Woodcock into her rightful place as a pivotal player in the history of twentieth-century Australia.

Maurie Mulheron, President, NSW Teachers Federation

A fascinating history of a fascinating woman. Lucy's interests were so broad and so modern: equal pay, racism, internationalism, Indigenous rights, and anti-war struggles were all part of Lucy's world. She had a vision beyond nationalism, championed the cause of world peace when peace was being treated as a dirty word, and saw women as global citizens. Lucy was one of the heroes of our disgracefully unfinished Equal Pay struggle.

Hon. Dr. Meredith Burgmann, anti-racism and peace activist, former President of the NSW Legislative Council

The State as Cultural Practice

Mark Bevir, R. A. W. Rhodes, 2010-04-08

The State as Cultural Practice offers a fully worked-out account of the authors' distinctive interpretive approach to political science. It challenges the new institutionalism, probably the most significant present-day strand in both American and British political science. It moves away from such notions as bringing the state back in, path dependency, and modernist empiricism. Instead, Bevir and Rhodes argue for an anti-foundational analysis, ethnographic and historical methods, and a decentred approach that rejects any essentialist definition of the state and espouses the idea of politics as cultural practice. The book has three aims: to develop an anti-foundational theory of the state, to develop a new research agenda around the topics of rule, rationalities, and resistance by exploring empirical shifts and debates about the changing nature of the state, to show how anti-foundational theory leads us to see them differently. Bevir and Rhodes argue

for the idea of the stateless state or the state as meaning in action So the state is neither monolithic nor a causal agent It consists solely of the contingent actions of specific individuals of diverse beliefs about the public sphere about authority and power which are constructed differently in contending traditions Continuity and change are products of people inheriting traditions and modifying them in response to dilemmas A decentred approach explores the limits to the state and seeks to develop a more diverse view of state authority and its exercise In short political scientists need to bring people back in to the study of the state

Interpretive Political Science R. A. W. Rhodes, 2017-06-30 Interpretive Political Science is the second of two volumes featuring a selection of key writings by R A W Rhodes Volume II looks forward and explores the interpretive turn and its implications for the craft of political science especially public administration and draws together articles from 2005 onwards on the theme of the interpretive turn in political science Part I provides a summary statement of the interpretive approach and Part II develops the theme of blurring genres and discusses a variety of research methods common in the humanities including ethnographic fieldwork life history and focus groups Part III demonstrates how the genres of thought and presentation found in the humanities can be used in political science It presents four examples of such blurring at work with studies of applied anthropology and civil service reform women s studies and government departments and storytelling and local knowledge The book concludes with a summary of what is edifying about an interpretive approach and why this approach matters and revisits some of the more common criticisms before indulging in plausible conjectures about the future of interpretivism The author seeks new and interesting ways to explore governance high politics public policies and the study of public administration in general Volume I collects in one place for the first time the main articles written by Rhodes on policy networks and governance between 1990 and 2005 and explores a new way of describing British government focusing on policy making and the ways in which policy is put into practice

Historical Dictionary of Australia Norman Abjorensen, James C. Docherty, 2014-12-05 Australia s development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia
