future are stuck in time until in her old age she encounters and reaches out to a young boy sleeping in the woods in terrible need of help Interlaced with their unfolding story are Bible Proverbs and other wisdoms which represent the revival of the faith her mother gave her Rachel had been a journal keeper but her hidden books don't turn up until the boy she loved and protected has grown up with a family of his own that he includes her in and she becomes the children's GiGi Liam inherits Rachel's secret filled nineteenth century home unchanged since GiGi's childhood and he opens up the mystery of the reclusive woman who had saved him discovering in the process he had also saved her from her lonely isolation Through Rachel's journals and Liam's own memories of his childhood an old unsolved murder of a young bully comes to light as well as an answer for the mysterious disappearance of Liam's own mother Young bullies grown up are apt to be bullies yet just made more dangerous by the protection of social and political status In this fictional story the young bully is given a short life murdered by someone unknown about two generations earlier But the same bloodline produces another just as bad who becomes a cowardly assassin who when justice happens will live a long life behind bars There are many mysteries twists turns and even a skeleton with no identity turning up in this tale that will keep readers engaged Read ponder and then find a way to take a personal stand against bullying being a Rachel a Gabriel or an old Alan Ortonson *Our Day*, 1888 *The American Church Review* Volume XLII July-December, 1883 Whole Number 151 Rev.
