Promises of God Edwin C. Kingsbury, 2009-09 Long ago when Israel had become aware of her unique history she began to collect and recount the saving acts of her God She concluded that God had chosen her and brought her from the lowest level of society through slavery into the Promised Land In the glorious days of Solomon she had the leisure to contemplate and to write down what her God had done for her She testified that her God was the God of promises who was faithful to his covenants The Promises of God beautifully and systematically records the responses from the leaders of this community of faith that were given to God's people Though their answers were far from unanimous they gave a guide to the generations of faithful people who have sought to live in covenant with their God in difficult times Due to the perilous times in which we live The Promises of God offers comfort as we consider the faithfulness of our great and holy God

God's Promises Jordanis Joseph, 2021-05-15 The promise of God is like a seed given to a farmer It must be planted in good soil and well taken care of Courageously and patiently with much devotion that farmer will vigilantly wait observing his crop day by day without distraction until the harvest comes We do not believe in God because things look good but because we must put our total trust in the Lord whatever the circumstances may be But what some forgot is that if the presence of the Lord isn't with His people the Ark of the Covenant among them is nothing more than a piece of equipment Walking in obedience to the Lord is an opportunity for those who are devoted to Him to position themselves for victory Waiting on the Lord is about knowing the God who gives us the understanding to position ourselves to receive the fulfillment of His promises
