Blase, 2000-12-14 I wrote My Big Fat Head when I decided to accept the fact that I was a food addict well maybe not total acceptance but an acknowledgement Let's call it a nod I knew there was no question I was a sugar addict and I knew that if the sugar didn't go I was going to go diabetic crazy to Weight Watchers for the fifth time pick one and I wanted to mentally stay onboard so I didn't think I would ever publish My Big Fat Head because if I did I'd be out of the closet and all the world would know my dirty little secret that when placed in a boxing ring with chocolate chip cookies I'd get knocked down every time My one and only problem or so I thought was my sweet tooth Once I gave up the foods I craved most I realized that the only thing I was doing by consuming them in the first place was depriving myself of living an honest life How can that possibly make sense Because when a person is in the throes of any addiction food alcohol drugs obsessive behaviors the preoccupation with that one thing is so prevalent that everything else takes a back seat Not intentionally and not all at once so that you don't even notice until it's too late your life becomes this narrow hallway that loops back and recycles in on itself causing an unsettling mental disruption Think circular treadmill you can't jump off of It may not be publicly noticed but it's strongly felt by the addict in question My Big Fat Head is about more than just about the desire to be thin It tells the story a life ruled by emotional fear I thought it was my destiny to be an unhappy overweight person and so I dismissed my mental physical and spiritual health for a bite of a brownie Okay fine A pan of brownies When I was done writing I was totally oblivious to the world of editors agents and publishers Overwhelmed with the prospect of writing a book proposal and feeling that what I had to share was time conscious material I self published my book at iUniverse.com And through iUniverse my book has given folks with a range of addictions from eating to gambling to drinking to shopping hope And hope unlike a stomach full of brownies is something worth sharing **A Child's Bookshelf** Lilian Stevenson, 1922
