Harmes,Barbara Harmes,Meredith A. Harmes,2021-10-28 The image of the nurse is ubiquitous both in life and in popular media One of the earliest instances of nursing and media intersecting is the Edison phonographic recording of Florence Nightingale s voice in 1890 Since then a parade of nurses good bad or otherwise has appeared on both cinema and television screens How do we interpret the many different types of nurses real and fictional lifelike and distorted sexual and forbidding who are so visible in the public consciousness This book is a comprehensive collection of unique insights from scholars across the Western world Essays explore a diversity of nursing types that traverse popular characterizations of nurses from various time periods The shifting roles of nurses are explored across media including picture postcards film television journalism and the collection and preservation of uniforms and memorabilia , **Directory of Canadian Search and Rescue Organizations** ,1997 Into the Abyss Carol Shaben,2013-05-21 Read the gripping and emotionally affecting book where four men survived the plane crash The pilot A politician A cop and the criminal he was shackled to Washington Post On an icy night in October 1984 a commuter plane carrying nine passengers crashed in the remote wilderness of northern Alberta killing six people Four survived the rookie pilot a prominent politician a cop and the criminal he was escorting to face charges Despite the poor weather Erik Vogel the 24 year old pilot was under intense pressure to fly Larry Shaben the author s father and Canada s first Muslim Cabinet Minister was commuting home after a busy week at the Alberta Legislature Constable Scott Deschamps was escorting Paul Archambault a drifter wanted on an outstanding warrant Against regulations Archambault s handcuffs were removed a decision that would profoundly impact the men s survival As the men fight through the night to stay alive the dividing lines of power wealth and status are erased and each man is forced to confront the precious and limited nature of his existence Community Health Nursing Karen Saucier Lundy,Sharyn Janes,2014-12-02 Preceded by Community health nursing Karen Saucier Lundy Sharyn Janes 2nd ed c2009 Ciotto's Disaster Medicine
