T. A. Hoffmann, 2015-10-21 This early work by E T A Hoffmann was originally published in 1816 Born in Königsberg East Prussia in 1776 Hoffmann's family were all jurists and during his youth he was initially encouraged to pursue a career in law However in his late teens Hoffman became increasingly interested in literature and philosophy and spent much of his time reading German classicists and attending lectures by amongst others Immanuel Kant Hoffman went on to produce a great range of both literary and musical works Probably Hoffman's most well known story produced in 1816 is The Nutcracker and the Mouse King due to the fact that some seventy

six years later it inspired Tchaikovsky's ballet *The Nutcracker*. In the same vein his story *The Sandman* provided both the inspiration for Loïe Delibes's ballet *Coppélia* and the basis for a highly influential essay by Sigmund Freud called *The Uncanny*. Indeed Freud referred to Hoffman as the unrivalled master of the uncanny in literature. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high-quality modern editions.
