On Our Way To The Water:

On Your Way to a Healthier You Fritz Dorce, 2013-08-14 I can do all things through Christ which strengthened me Philippians 4:13 I decided to write this book because I have encountered so many people who are misinformed about their health and because of that they make poor choices on a daily basis I want to thank God for giving me the knowledge and understanding of this subject in order to share it with others Most of the wisdom cited in this book comes from the greatest book ever written the Bible Thanks be to God I want to give special thanks to my friends Ketia and Daniel Jacques for their constant support to my sister in Christ Samantha Miller for her help and my beautiful mom Alcine Dorce for giving me life I want to thank The Ministry of Healing and all the books articles and resources that contributed to the completion of this book This book does not replace your doctor or any treatment your doctor has prescribed for you This book is intended to educate and make you aware of options available which can help you to make wiser choices concerning your health In everything that you do call on the name of God Almighty to give you direction Prepare yourself to make sacrifices and give your best effort and let God handle the rest Winston Churchill and others have said that failing to plan is planning to fail I wish that you plan to succeed by God's grace *Finding Your Way Back to God Participant's Guide* Dave Ferguson, Jon Ferguson, 2015-07-21 Take the Next Step Perfect for individual or group study The companion Participant's Guide explores the idea that we all want to find our way home and back to God The participant's guide offers Bible investigation life application questions and prayer exercises help you take positive action on your desire to find God **The Water Lily Pond** Han Z. Li, 2004-01-20 This evocative narrative draws us into the inner life of a young Chinese peasant girl May ping and her first glimmerings of youthful love and idealism under the Maoist regime in China As she grows into a mature woman she becomes increasingly aware of the strife around her She manages to survive the Cultural Revolution as a member of the Communist party who feels outside the system and keeps her inner self intact Her story reveals how political change during the Maoist regime left its mark on ordinary people Cover **Fit for Life** Harvey Diamond, 2021-02-23 In this newly updated and repackaged follow up to Fit For Life one of the bestselling diet books of all time nutritional specialist Harvey Diamond teaches readers how to live a long healthful life by making smart dietary changes adopting a clean diet and offering a blueprint for optimal health pain free living increased energy and weight loss without deprivation Did you know that on average each one of us will consume approximately seventy tons of food in our lifetime The amount of time effort and energy necessary to obtain prepare and consume all that food plus the effort of your body to break it down extract and utilize what you need from it and eliminate the rest represents a hugely significant portion of your time on this planet This book demystifies and simplifies the entire subject while empowering you to know that you and you alone are in control of whether you live your life in good or ill health Through intelligent dietetic decisions you can harness the powerful healing energy of food Step by step in simple understandable language readers learn what pain ill health and disease really are how and why they occur and how they can

be avoided The book explains all you need to know about the single most important ally you have your body's lymph system the heart and soul of the immune system and the mechanism in your body whose explicit job and function is to keep you well The secret to long term vibrant health lies in the understanding of the lymph system and what steps you can take to support its activities not thwart them This ultimate diet and health plan is a comprehensive cutting edge program to reduce weight lower cholesterol combat serious diseases and maintain vitality More than a review of diseases such as cancer or how to manage them this important book makes the strategic transition from treatment to prevention People are increasingly taking responsibility for decisions concerning their health **FIT FOR LIFE A NEW BEGINNING** empowers the individual to make health care decisions that are based on personal research indeed it accelerates this process While it does discuss diagnosis and treatment its real message is that you can prevent disease
