Pathways Of Power Building An Anthropology Of The Modern World:

Pathways of Power Eric R. Wolf, 2001-01-03 This collection of twenty eight essays by renowned anthropologist Eric R. Wolf is a legacy of some of his most original work with an insightful foreword by Aram Yengoyan Of the essays six have never been published and two have not appeared in English until now Shortly before his death Wolf prepared introductions to each section and individual pieces as well as an intellectual autobiography that introduces the collection as a whole Sydel Silverman who completed the editing of the book says in her preface He wanted this selection of his writings over the past half century to serve as part of the history of how anthropology brought the study of complex societies and world systems into its purview

Theorizing Power Jonathan S. Hearn, 2017-09-16 If we re interested in why society changes and develops and if we want to identify the forces that influence our personal beliefs and choices then we must have an understanding of the nature and scope of human power This distinctively clear text critically evaluates how power is defined conceptualized and theorized Spanning 500 years of thinking in the field the book examines ideas from classical and contemporary thinkers from Machiavelli to Michael Mann Theories are firmly rooted in their historical context alongside real life examples to explain their relevance to our lives today Theorizing Power highlights the significance of power across all areas of social life including gender religion morality and identity It is the ideal text to stimulate thinking and debate on the subject of power for all students of sociology and politics

Visions of Culture Jerry D. Moore, 2012-05-24 This classic textbook now in its fourth edition offers anthropology students a succinct clear and balanced introduction to theoretical developments in the field The key ideas of 25 major theorists are briefly described and unique to this textbook linked to the biographical and fieldwork experiences that helped shape their theories The impact of each scholar on contemporary anthropology is presented along with numerous examples quotations from the theorists writings and a description of the broader intellectual setting in which these anthropologists worked Moore has updated many of the profiles to take into account recent scholarship The book is also more strongly tied in to the companion work Visions of Culture An Annotated Reader to encourage the fullest intellectual engagement for students The Visions of Culture Value Pack is available when you order directly from AltaMira Press Order these two books as part of the Visions of Culture Value Pack using a single isbn for a 20% discount Click here to order online Includes 1 Visions of Culture An Introduction to Anthropological Theories and Theorists Fourth Edition Jerry D Moore 2012 2 Visions of Culture An Annotated Reader Jerry D Moore 2009 Find full information on the contents of the reader here

Rituality and Social (Dis)Order Alessandro Testa, 2020-11-29 Carnival has been described as one of the foundational elements of European culture bearing an emblematic and iconic status as the festive phenomenon par excellence Its origins are partly obscure but its stratified and complex history rich symbolic diversity and sundry social configurations make it an exceptional object of cultural analysis The product of more than 12 years of research this book is the first comparative historical anthropology of popular European Carnival in the English language with a focus

on its symbolic religious and political dimensions and transformations throughout the centuries It builds on a variety of theories of social change and social structures questioning existing assumptions about what folklore is and how cultural gaps and differences take shape and reproduce through ritual forms of collective action It also challenges recent interpretations about the performative and political dimension of European festive culture especially in its carnivalesque declension While presenting and exploring the most important features and characteristics of European pre modern Carnival and discussing its origins and developments this thorough study offers fresh evidence and up to date analyses about its transversal and long lasting significance in European societies

The Limits to Citizen Power Victor Albert, 2016-06-20 Can a political project exist outside of the power relations from which it is trying to emerge In the twilight of Brazil s twenty one year military regime a new union movement emerged in S o Paulo s industrial region giving life to a new political party the Workers Party The electoral success enjoyed by the party enabled it to champion a whole raft of democratic reforms and Brazil is now celebrated as a laboratory for popular and participatory forms of government However through analysis of the trajectory of the Worker Party s democratic experiment the true challenge of embedding democracy inside existing state structures emerges Drawing on long term ethnographic research Victor Albert provides a critical analysis of citizen participation in Santo Andr in the region of Greater S o Paulo where the Workers Party was founded holding a microscope to the power relations between political appointees public officials and local community activists Albert also reveals how different social actors think and feel about citizen participation away from formal assemblies and how some participants engage in what is a tenuous and at times mutually distrustful tactical and strategic relationship with political patrons

The Big Myth Naomi

Oreskes,Erik M. Conway,2023-02-21 A carefully researched work of intellectual history and an urgently needed political analysis Jane Mayer A scorching indictment of free market fundamentalism and how we can change before it s too late Esquire Best Books of Winter 2023 The bestselling authors of Merchants of Doubt offer a profound startling history of one of America s most tenacious and destructive false ideas the myth of the free market In their bestselling book Merchants of Doubt Naomi Oreskes and Erik M Conway revealed the origins of climate change denial Now they unfold the truth about another disastrous dogma the magic of the marketplace In the early 20th century business elites trade associations wealthy powerbrokers and media allies set out to build a new American orthodoxy down with big government and up with unfettered markets With startling archival evidence Oreskes and Conway document campaigns to rewrite textbooks combat unions and defend child labor They detail the ploys that turned hardline economists Friedrich von Hayek and Milton Friedman into household names recount the libertarian roots of the Little House on the Prairie books and tune into the General Electric sponsored TV show that beamed free market doctrine to millions and launched Ronald Reagan s political career By the 1970s this propaganda was succeeding Free market ideology would define the next half century across Republican and Democratic administrations giving us a housing crisis the opioid scourge climate destruction and a baleful response to the Covid 19 pandemic Only by understanding this history can we imagine a future where markets will serve not stifle democracy

Sustaining Life Theodore Powers,2020-03-20 An ethnographic account of the South African AIDS movement and activists From the historical roots of AIDS activism in the struggle for African liberation to the everyday work of community education in Khayelitsha Sustaining Life tells the story of how the rights based South African AIDS movement successfully transformed public health institutions enabled access to HIV AIDS treatment and sustained the lives of people living with the disease Typical accounts of the South African epidemic have focused on the political conflict surrounding it Theodore Powers observes but have yet to examine the process by which the national HIV AIDS treatment program achieved near universal access In Sustaining Life Powers demonstrates the ways in which non state actors from caregivers to activists worked within the state to transform policy and state based institutions in order to improve health based outcomes He shows how advocates in the South African AIDS movement channeled the everyday experiences of poor and working class people living with HIV AIDS into tangible policy changes at varying institutional levels revealing the primacy of local action for expanding treatment access In his analysis of the transformation of the state health system Powers addresses three key questions How were the activists of the movement able to overcome an AIDS dissident faction that was backed by government power How were state health institutions and HIV AIDS policy transformed to increase public sector access to treatment Finally how should the South African campaign for treatment access inform academic debates on social movements transnationalism and the state Based on extended participant observation and in depth interviews with members of the South African AIDS movement Sustaining Life traces how the political principles of the anti apartheid movement were leveraged to build a broad coalition

that changed national HIV AIDS policy norms and highlights how changes in state society relations can be produced by local activism

The Politics of Relations André Thiemann, 2024-06-01 Rethinking the contributions of the Manchester School of Social Anthropology for political ethnography the Politics of Relations elaborates its relational approach to the state along four interlaced axes of research embeddedness boundary work modalities and strategic selectivity that enable thick comparisons across spatio temporal scales of power In Serbia local experiences of self government infrastructure and care motivate its citizens to become the state while cursing it heartily While both officials and citizens strive for a state that enables a normal life they navigate the increasingly illiberal politics enacted by national parties and which are tolerated by trans national donors

An Elusive Common Karen E. Rignall, 2021-07-15 An Elusive Common details the fraught dynamics of rural life in the arid periphery of southeastern Morocco Karen Rignall considers whether agrarian livelihoods can survive in the context of globalized capitalism and proposes a new way of thinking about agrarian practice politics and land in North Africa and the Middle East Her book questions many of the assumptions underlying movements for land and food sovereignty theories of the commons and environmental governance Global market forces government disinvestment political marginalization and climate change are putting unprecedented pressures on contemporary rural life At the same time rural peoples are defying their exclusion by forging new economic and political possibilities In southern Morocco the vibrancy of rural life was sustained by creative and often contested efforts to sustain communal governance especially of land as a basis for agrarian livelihoods and a changing wage labor economy An Elusive Common follows these diverse strategies ethnographically to show how land became a site for conflicts over community political authority and social hierarchy Rignall makes the provocative argument that land enclosures can be an essential part of communal governance and the fight for autonomy against intrusive state power and historical inequalities

Agency Uncovered Andrew Gardner, 2016-06-16 This book questions the value of the concept of agency a term used in sociological and philosophical literature to refer to individual free will in archaeology using examples from European and Asian prehistory classical Greece and Rome the Inka and other Andean cultures

Food Activism Carole Counihan, Valeria Siniscalchi, 2013-12-05 Across the globe people are challenging the agro industrial food system and its exploitation of people and resources reduction of local food varieties and negative health consequences In this collection leading international anthropologists explore food activism across the globe to show how people speak to negotiate or cope with power through food Who are the actors of food activism and what forms of agency do they enact What kinds of economy exchanges and market relations do they practice and promote How are they organized and what are their scales of political action and power relations Each chapter explores why and how people choose food as a means of forging social and economic justice covering diverse forms of food activism from individual acts by consumers or producers to organized social

groups or movements The case studies embrace a wide geographical spectrum including Cuba Sri Lanka Egypt Mexico Italy Canada France Colombia Japan and the USA This is the first book to examine food activism in diverse local national and transnational settings making it essential reading for students and scholars in anthropology and other fields interested in food economy politics and social change **Bridging the Divide** World Archaeological Congress (Organization). Indigenous Inter-Congress,2010-09-15 The collected essays in this volume address contemporary issues regarding the relationship between Indigenous groups and archaeologists including the challenges of dialogue colonialism the difficulties of working within legislative and institutional frameworks and NAGPRA and similar legislation The disciplines of archaeology and cultural heritage management are international in scope and many countries continue to experience the impact of colonialism In response to these common experiences both archaeology and indigenous political movements involve international networks through which information quickly moves around the globe This volume reflects these dynamic dialectics between the past and the present and between the international and the local demonstrating that archaeology is a historical science always linked to contemporary cultural concerns *Ancient Andean Houses* Jerry D. Moore,2021-12-14 In an extensive survey of vernacular architecture from across the entire length of the Andes this book explores the diverse ways ancient peoples made houses the ways houses re create culture and new perspectives and methods for studying houses

Reform and Responsibility in the Remaking of the Swedish National Pension System Anette Nyqvist,2016-04-08 Reform and Responsibility in the Remaking of the Swedish National Pension System is a detailed study through Sweden s national pension system With Sweden s recently reformed national pension system as the illustrative example Nyqvist shows how new forms of governance effectively shift responsibility from state level to an individual level She sheds light on how politicians technocrats and bureaucrats work to educate and foster the general public into responsible hardworking and financially literate citizens This ethnographic example of how contemporary power works by way of new forms of governance Reform and Responsibility in the Remaking of the Swedish National Pension System is an exploration into the art of governing of a large scale governmental policy process *Doing Fieldwork* W.
