around the world The author makes ancient magic techniques accessible offering them as practical tools for daily life Addressing the needs of today s readers beginners and adepts alike the author provides well researched historical background on astrology witchcraft tarot and the I Ching as well as channeling spirit contact and the connections between quantum physics and traditional magic Shamanism Mariko Namba Walter,Eva Jane Neumann Fridman,2004-12-15 A guide to worldwide shamanism and shamanistic practices emphasizing historical and current cultural adaptations This two volume reference is the first international survey of shamanistic beliefs from prehistory to the present day In nearly 200 detailed readable entries leading ethnographers psychologists archaeologists historians and scholars of religion and folk literature explain the general principles of shamanism as well as the details of widely varied practices What is it like to be a shaman Entries describe region by region the traits such as sicknesses and dreams that mark a person as a shaman as well as the training undertaken by initiates They detail the costumes music rituals artifacts and drugs that shamans use to achieve altered states of consciousness communicate with spirits travel in the spirit world and retrieve souls Unlike most Western books on shamanism which focus narrowly on the individual s experience of healing and trance Shamanism also examines the function of shamanism in society from social political and historical perspectives and identifies the ancient continuous thread that connects shamanistic beliefs and rituals across cultures and millennia Circle Round Starhawk,2020-09-15 In our rushed stressed society it s sometimes difficult to spend meaningful time as a family Now Starhawk Diane Baker and Anne Hill offer new ways to foster a sense of togetherness through celebrations that honor the sacredness of life and our Mother Earth Goddess tradition embraces the wheel of life the never ending cycle of birth growth love fulfillment and death Each turn of the wheel is presented here in eight holidays spanning the changing seasons in rites of passage for life transitions and in the elements of fire air water earth and spirit Circle Round is rich with songs rituals craft and cooking projects and read aloud stories as well as suggestions for how you can create your own unique family traditions Here are just some of the ways to make each event in the cycle of life more special Mark Summer Solstice by making sweet smelling herb pillows for good dreams Send a teenager off to college with the Leaving Behind and Carrying With rituals Comfort an injured child with the Tree of Life meditation Commemorate a loved one by planting or donating a tree As a one of a kind resource for people of many faiths and beliefs Circle Round will be a beloved companion in your home for years to come By Oak, Ash, & Thorn Deanna J. Conway,1995 Take one part of the world s oldest spiritual system shamanism mix in one part of one of the world s most popular spiritual cultures the Celts and bring it up to date by blending in modern forms of shamanism The result is one of the most amazing books you ll ever use D J Conway s By Oak Ash Thorn This book is filled with information that can start you on a lifetime of study practice and spirituality First you ll learn about ancient and modern forms of shamanism You ll discover the secrets of the three shamanic worlds and how you can travel through these mysterious realms You ll be shown how to communicate and deal with the entities and allies you meet there You ll also learn about the tools that a shaman uses

The thing that makes this book unique is that it comes from the viewpoint of Celtic shamanism and not some generalized form. As a result, the worlds are specifically Celtic in nature. The tools come from Celtic myth and lore. The fifty entities you meet are named and defined as the Faery Folk and their kin from the Bean sidhe banshee to the Will o the Wisp, a faery who appears at night in lonely places carrying a lantern to confuse travellers. Almost fifty more animal allies are listed and described. You will also learn the mysteries of the vision quest and how it applies and can be used by Celtic shamans. Before starting your journey, you will take a test to determine your strengths and weaknesses as a potential shaman. Other topics include Shamanic Healing, Soul Retrieval, Shape shifting, Invisibility, Divination with stones, the omen stick, and the Ogam alphabet. Pathworking through the three shamanic worlds, Different forms of Celtic magic, Herbs. This only begins to hint at everything that you can learn from this book. Get your copy today.
