

THE RAWSHAKESPEARE POCKET EDITION
OF THE FIRST QUARTO SETTING OF

SHAKE-SPEARE'S SONNETS

WILLIAM SHAKESPEARE

Shakespeares Sonnets Rawshakespeare Quarto Edition

Boston Public Library

Shakespeare's Sonnets Rawshakespeare Quarto Edition:

The Drama in Shakespeare's Sonnets Mark Jay Mirsky, 2011-07-16 The Drama in Shakespeare's Sonnets A Satire to Decay is a work of detective scholarship Unable to believe that England's great dramatist would publish a sequence of sonnets without a plot Mark Jay Mirsky novelist playwright and professor of English proposes a solution to a riddle that has frustrated scholars and poets alike Arguing that the Sonnets are not just a higgledy piggledy collection of poems but were put in order by Shakespeare himself and drawing on the insights of several of the Sonnets foremost contemporary scholars Mirsky examines the Sonnets poem by poem to ask what is the story of the whole Mirsky takes Shakespeare at his own word in Sonnet 100 where the poet tongue in cheek advises his lover to regard time's spoils in this case any wrinkle graven in his cheek as but a satire to decay The comfort is obviously double edged but it can also be read as a mirror of Shakespeare's satire on himself as if to praise his own wrinkles and reflects the poet's intention in assembling the Sonnets to satirize the playwright's own decay as a man and a lover In a parody of sonnet sequences written by his fellow poets Spenser and Daniel Shakespeare's mordant wit conceals a bitter laugh at his own romantic life The Drama in Shakespeare's Sonnets demonstrates the playwright's wish to capture the drama of the sexual betrayal as he experienced it in a triangle of friendship and eroticism with a man and a woman It is a plot however that the playwright does not want to advertise too widely and conceals in the 1609 Quarto from all but a very few Despite Shakespeare's moments of despair at his male friend's betrayal and the poet's cursing at the sexual promiscuity of the so called Dark Lady The Drama in Shakespeare's Sonnets sees the whole as a satire by Shakespeare and particularly when read with the poem that accompanied it in the 1609 printing A Lover's Complaint as a laughing meditation on the irrepressible joy of sexual life [Bulletin of the Public Library of the City of Boston](#) Boston Public Library, 1923 *Bulletin [1908-23]* Boston Public Library, 1923 **Shakespeare Survey** Kenneth Muir, Jonathan Bate, Michael Dobson, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback [The New Oxford Shakespeare: Authorship Companion](#) Gary Taylor, Gabriel Egan, 2017-02-10 This companion volume to The New Oxford Shakespeare The Complete Works concentrates on the issues of canon and chronology currently the most active and controversial debates in the field of Shakespeare editing It presents in full the evidence behind the choices made in The Complete Works about which works Shakespeare wrote in whole or part A major new contribution to attribution studies the Authorship Companion illuminates the work and methodology underpinning the groundbreaking New Oxford Shakespeare and casts new light on the professional working practices and creative endeavours of Shakespeare and his contemporaries We now know that Shakespeare collaborated with his literary and dramatic contemporaries and that others adapted his works before they reached printed publication The Authorship Companion's essays explore and explain these processes laying out everything we currently know about the works authorship Using a variety of different attribution methods The New Oxford Shakespeare has confirmed the presence of other writers' hands in

plays that until recently were thought to be Shakespeare's solo work. Taking this process further with meticulous fresh scholarship, essays in the Authorship Companion show why we must now add new plays to the accepted Shakespeare canon and reattribute certain parts of familiar Shakespeare plays to other writers. The technical arguments for these decisions about Shakespeare's creativity are carefully laid out in language that anyone interested in the topic can understand. The latest methods for authorship attribution are explained in simple but accurate terms, and all the linguistic data on which the conclusions are based is provided. The New Oxford Shakespeare consists of four interconnected publications: the Modern Critical Edition with modern spelling; the Critical Reference Edition with original spelling; a companion volume on Authorship; and an online version integrating all of this material on OUP's high-powered scholarly editions platform. Together they provide the perfect resource for the future of Shakespeare studies.

The Works of William Shakespeare: The sonnets and poems, together with Shakespeare's country; An illustrated description of Shakespeare's country William Shakespeare, 1906

The New Oxford Shakespeare Gary Taylor, Gabriel Egan, 2017. This companion volume to The New Oxford Shakespeare The Complete Works concentrates on the issues of canon and chronology. This major work in attribution studies presents in full the evidence behind the choices made in The Complete Works about which works Shakespeare wrote in whole or part.

Shakespeare Quarterly, 1950. Provides image and full text online access to back issues. Consult the online table of contents for specific holdings.

Textual Practice Lindsay Deputy Editor: Smith, Alan Sinfield, Jean US Associate Editor: Howard, 2006-02. First published in 1995. Routledge is an imprint of Taylor Francis, an informal company.

Shakespeare Survey Allardyce Nicoll, 1980. An annual survey of Shakespearian study and production.
