Alexander, 2020-07-04 This original scholarly collection of essays investigates the intersections of large scale international migration and solidarity building Unpacking how civil courage occurs under what forms and what sustains it Carlo Tognato Bernadette Nadya Jaworsky and Jeffrey C Alexander bring together authors to explore a new theory of the exemplary individual or collective in the recent age of migration crises actors who stand against injuries or injustices toward migrants even when it is costly or risky in a context of hostility or indifference A resource for those interested in the triggers and safeguards of democracy and civil society and for scholars and practitioners alike this volume offers empirical case studies from the US Europe Australia and Latin America of cross group solidarity efforts *Well-Dressed Role Models* Gale Eaton, 2006-06-08 This study provides a qualitative exploration of juvenile biographies of women a genre defined here as a book dealing with the whole or partial life of an individual and reviewed as nonfiction for readers in elementary middle or junior high school Beginning with a survey of juvenile material on Elizabeth Tudor published in England and the United States between 1852 and 2002 author Gale Eaton scrutinizes thirty four books juvenile biographies histories and collected

biographies for trends in both content and rhetoric Well Dressed Role Models The Portrayal of Women in Biographies for Children then goes on to look at close readings of books published in the United States in the years 1946 1971 and 1996 and presents a penetrating analysis of a genre that serves the needs of youth The findings of this study include the fact that juvenile biographies make role models out of women who in many cases never would have become famous by following all the rules for good girls By choice of subject and emphasis their authors dress the life stories of real women in the appropriate values of new generations Three appendixes providing annotated book lists for each of the three years analyzed conclude this study **Multicultural Women's Sourcebook** Martha Cotera, 1982 A Century of Wisdom Caroline
