Sham Shame Inside The Electric Power Industry:

Sham? Shame! Jack Casazza, John Casazza, 2001-01-01 Environmental Guilt and Shame Sarah E. Fredericks, 2021 This study shows that many people in the US feel guilt about their everyday life It explores many ethical questions including whether individuals or collectives are the guilty or shameful parties whether agents should have these feelings whether people should induce guilt or shame in others and how people can respond to such feelings *Congressional Record* United States. Congress, 2002 **Human Rights for Pragmatists** Jack Snyder, 2024-11-26 An innovative framework for advancing human rights Human rights are among our most pressing issues today yet rights promoters have reached an impasse in their effort to achieve rights for all Human Rights for Pragmatists explains why activists prioritize universal legal and moral norms backed by the public shaming of violators but in fact rights prevail only when they serve the interests of powerful local constituencies Jack Snyder demonstrates that where local power and politics lead rights follow He presents an innovative roadmap for addressing a broad agenda of human rights concerns impunity for atrocities dilemmas of free speech in the age of social media entrenched abuses of women s rights and more Exploring the historical development of human rights around the globe Snyder shows that liberal rights based states have experienced a competitive edge over authoritarian regimes in the modern era He focuses on the role of power the interests of individuals and the groups they form and the dynamics of bargaining and coalitions among those groups The path to human rights entails transitioning from a social order grounded in patronage and favoritism to one dedicated to equal treatment under impersonal rules Rights flourish when they benefit dominant local actors with the clout to persuade ambivalent peers Activists policymakers and others attempting to advance rights should embrace a tailored strategy one that acknowledges local power structures and cultural practices Constructively turning the mainstream framework of human rights advocacy on its head Human Rights for Pragmatists offers tangible steps that all advocates can take to move the rights project forward **Shame** Robert H Albers, William M Clements, 2013-12-19 In this new guidebook designated as one of the Top Ten Books of the Year for 1996 by The Journal of the Academy of Parish Clergy author Robert H Albers provides both an analysis of and a Biblical and theological reflection upon the human experience of disgrace shame Albers approaches the subject from a pastoral perspective from which he makes suggestions on how this phenomenon can be dealt with from the background of a faith tradition He develops and explores new and existing valuable conceptual and pastoral resources to aid people in dealing effectively with the debilitating experiences of disgrace shame Shame A Faith Perspective is unique in that it incorporates deliberate theological reflection upon the human experience of disgrace shame Its value is in naming this phenomenon analyzing it and identifying the resources for dealing effectively with this experience It assists clergy and counselors in identifying this phenomenon and provides conceptual and practical suggestions on how to deal most effectively with disgrace shame Clergy as well as laypeople can find answers to their questions about the nature of shame and become better equipped to facilitate the process of healing Utilizing the

findings of social sciences the author provides specific information on shame including Distinctions between shame and guilt Distinctions between discretionary shame and disgrace shame Identification of the dynamics of disgrace shame Analysis of the defenses used in dealing with disgrace shame Identification of the resources available from the Judeo Christian tradition in reflecting theologically on the issue of disgrace shame Suggestions for ways in which disgrace shame might be dismantled from the perspective of faith For parish pastors and priests counselors and therapists seminary professors teaching pastoral care and nonordained people within the Christian community Shame A Faith Perspective provides a theologically informed method for addressing issues of disgrace shame Readers can begin to distinguish between guilt and shame in human experience search out theological resources for understanding and learn to deal effectively with the experience of disgrace shame

Wong, 2021-07-21 This edited volume provides new perspectives on how shame is experienced and transformed within digital worlds and Industry 4.0 The editors and authors discuss how individuals and organisations can constructively transform shame at work in professional and private contexts and with regard to socio cultural lifestyle changes founded in digitalisation and Industry 4.0 The contributions in this volume enable researchers and practitioners alike to unlock the topic of shame and its specifics in the highly dynamic and rapidly changing times to explore this emotion in depth in connection with remote workplaces home office automated realities and smart systems or digitalised life and working styles By employing transdisciplinary and transcultural perspectives the volume further discusses shame in the context of new lifestyles religion gender sexual suppression mental illness and the nature of citizenship Researchers practitioners and students in the fields of industrial and organisational psychology positive psychology organisational studies future studies health and occupational science and therapy emotion sciences management leadership and human resources will find the contributions highly topical insightful and applicable to practice Fresh timely thought provoking with each turn of the page this impressive volume explores shame in today's world Moving beyond the simple guilt is good shame is bad perspective authors from diverse disciplines examine adaptive and maladaptive aspects of shame in the context of contemporary issues e.g. social media use COVID 19 via multiple cultural and social lenses Aptly named Shame 4.0 is a treasure trove of rich ideas ripe for empirical study a blueprint for the next generation of research on this complex and ubiquitous emotion Bravo June Tangney PhD University Professor and Professor of Psychology George Mason University USA Uncovering Shame To a much greater extent than other emotions like anger grief and fear until recently most shame in modern societies has been hidden from sight The text you see in this book is one of the steps that is being taken to make it more visible and therefore controllable Thomas Scheff Prof Emeritus Department of Sociology UCSB

Santa Barbara, CA **Extractive Industry Indigenisation in Zimbabwe** Kennedy Manduna, 2025-09-25 This book explains how and why Zimbabwe's extractive industry Indigenisation over promised its benefits yet under delivered upon implementation. This book traces the history of uneven development in Zimbabwe from the initial days of colonialism to the present using the extractive industry as the unit of analysis to carve out a granular and empirical analysis of the preponderance of transnational corporate control and ownership in the country. Indigenisation of Zimbabwe's extractive industries was intended to address mining inequalities by transferring wealth from rich non-Indigenous mining capital to disadvantaged Indigenous citizens and communities. This policy however was a response to political economic and social crises posed by the international isolation of Zimbabwe's government following the controversial Fast Track Land Reform Programme in 2000-2003. An intervention therefore which promised to address inequalities has thus been hampered by corruption, co-optation and collusion which has led to it not only failing to address uneven development but in actual fact worsening the situation. By examining the hidden structures and infrastructures of power, capital and minerals and placing extractive industry Indigenisation in capitalism, this book makes a crucial scholarly contribution to the renewed and burgeoning debates around the resurgence of resource nationalism in general and the struggle for economic sovereignty in particular. This book steers readers more broadly to look for new and diversified ways of empowering Indigenous populations and their communities through mining Indigenisation in ways that do not threaten economic and political stability. This book will be of great interest to students and scholars of the extractive industries, natural resource management, African politics and African development.

The SAGE Dictionary of Criminology Eugene McLaughlin, John Muncie, 2006 If the First Edition was an invaluable guide for students, the Second is well nigh indispensable. I can think of no better starting point for those wanting a quick fix on any given criminological topic. Professor Tony Jefferson, Keele University. Since its initial publication in 2001, I've steadfastly kept *The SAGE Dictionary of Criminology* within easy reach of my desk, referring to it countless times in writing articles, books and lectures. I've found it to be a remarkable book, a comprehensive dictionary certainly, but as much so a significant achievement in intellectual inquiry. It may seem odd to say of a dictionary, but it really is one of my favourite books. The only book that can replace it on my desk, side bookshelf is this Second Edition, whose new entries confirm the editors' grasp of contemporary criminology in all its excitement and complexity. Professor Jeff Ferrell, Texas Christian University. The welcome inclusion of entries on contemporary theoretical and policy concerns ranging from Anti-Social Behaviour, Eco-crime and Emotions through Forensic Anthropology, Globalisation, Governance and Mentoring to Sex Crime, Virtual Criminology and What Works adds to the well-established strengths of the first edition. The entries, all written by established scholars, provide a clear, concise and critical introduction to criminological concepts and constitute an invaluable resource for all criminology students and academics. Professor Hazel Croall, Glasgow Caledonian University. It is unusual for a dictionary to be interesting, but this one manages to be both compelling and useful for faculty and students across a range of

disciplines and orientations who are commonly interested in criminology The SAGE Dictionary of Criminology is also distinctive in providing a literally encyclopaedic compendium of information that has been carefully placed in social cultural and political contexts Professor Lynn Chancer Hunter College City University of New York The list of new entries is quite impressive Once you've read them you start to wonder how come that the First Edition of The SAGE Dictionary of Criminology already felt so complete Dr Ren van Swaaningen Erasmus University Rotterdam Thoughtful evaluations of the key concepts criminologists must think about by quality contributors who include many of the world's leading criminologists Professor John Braithwaite Australian National University The Second Edition of the bestselling SAGE Dictionary of Criminology is the ultimate reference tool for students of criminology and criminal justice It provides an accessible introduction to key theories concepts and topics offering comprehensive guidance through the field The editors have brought together a group of internationally prominent academics and practitioners to produce this definitive reference and research tool Each entry contains a definition of the concept or topic distinctive features offering detailed comment on the concept's origins development and general significance evaluation of those concepts considered to have greatest theoretical weight and lasting legacy associated concepts for cross referencing and mapping connections across various fields and issues key readings to enable the student to take their knowledge further The new edition contains thirty six new entries covering subjects such as anti social behaviour globalization human trafficking and terrorism Selected entries have been revised and updated This comprehensive text is the essential reference point for all students of criminology and criminal justice at all levels Praise for the First Edition The compilers have done criminology a tremendous service This dictionary is an invaluable resource for students and teachers and I'm certain will be a key reference work for years to come Professor Tim Newburn London School of Economics Great dictionaries inform intrigue and investigate McLaughlin and Muncie's perceptive collection does all three The SAGE Dictionary of Criminology is wide and accessible enough to interest anyone concerned with crime the law and the panoply of issues and explanations that surround them This admirable volume will inform guide and contribute to debates in the years ahead Ellis Cashmore Professor of Culture Media and Sport Staffordshire University author of Dictionary of Race and Ethnic Relations and co editor of Dictionary of Cultural Theorists McLaughlin and Muncie have assembled an impressive list of international contributors and have succeeded in putting together a wonderfully entertaining book the Dictionary belongs on every criminologist's bookshelf Professor George Mair Liverpool John Moores University Criminal Justice An International Journal 22 The main strength of the project lies in its attempts at integration of a wide range of themes and theoretical perspectives under one set of covers Professor John Raine University of Birmingham Youth Justice 21 There is a genuine international feel to the compilation as a whole e Nowadays such has criminology grown it is barely possible to keep up even in a narrowly defined sub field and a new dictionary is essential Anyway we will all have to read it because our students will What a relief that it is such a pleasure to do so Jason Ditton University of Sheffield British
