Bodo Balsys

Shambala Impacts Their Esoteric Astrology In World History:

The Shamballa Impacts Phillip Lindsay, 2000 Each Shamballa impact in history has caused drastic and unprecedented change Here the Shamballa tradition is broadly traced through Earth's ancient occult history focusing on the last three major impacts including that of the year 2000 Shamballa is a Place of Peace and the Centre Where the Will of God is Known whose Purpose is only now being revealed as Humanity become more receptive to its impulse Esoteric Astrology and Shamballa are therefore most complementary as two emerging and unfolding aspects of the Ancient Wisdom in contemporary human expression

TERRA: Return of the Divine Feminine Keith David Henry, 2009-08-14 The world today is faced with the gravest dilemmas of all time Every major system is beginning to disintegrate This global phenomenon is happening across social political financial religious environmental and moral lines The artificially masculine that contrived patriarchal and oligarchic paradigm in which we currently live is in large part responsible for this breakdown This book the third in the series examines the role that the renewed respect for and acceptance of the Divine Feminine integrated with the true Divine Masculine will play during this age It also delves into the science and esoterism behind the Mayan calendar our progression of consciousness as a species and their implications for humanity's post 2012 existence as our solar system moves into the next 26 000 year Mayan calendar astronomical cycle known commonly as the Aquarian Age

Esoteric Astrology for the New Age, Vol 2: Cosmological Astrology Bodo Baisys, 2025-01-08 This book will set the stage for the new cosmological understanding for our local universe from the astrological perspective The background for proper comprehension is my The Constitution of Shambhala plus Bailey's A Treatise on Cosmic Fire and Esoteric Astrology The focus is upon the Mother of the World's department and the disastrous events that happened upon the moon in that far distant past when it harboured a human kingdom The key individuals that went aberrant then through grievous sex magical practices have either since been converted upon the earth to become the Hierarchy of Enlightened Being or else are the forces of evil the dark brotherhood that have presently taken over planetary affairs That ancient history is traced to the next globe in our earth Scheme in the fifth Round that will bear a human kingdom The astrological conditions that set the stage for this is first established viewed from above down rather than from the normal earth centred astrology The focus is upon the activities of the former Logos of the moon Chain which was a Taurean dispensation ruled by the Mother's department Explained is His subsequent fall and incarnation upon the earth coupled with a similar though lesser fall of Sanat Kumara He did so to properly monitor the consequent dangerous situation upon the earth because of the vast number of evil entities from the moon that subsequently incarnated to admix with the earth's indigenous humanity The events producing the great flood that sank the Atlantean continent have their true genesis here

Alice A. Bailey Isobel Blackthorn, 2022-01-28 A must read for any Bailey student anyone interested in the New Age movement and for those who wonder amidst our confused and divided world where will it all end Steven Chernikoff author of Esoteric Apprentice From tragic beginnings as an aristocratic orphan to becoming the

mother of the New Age spiritual movement Alice A Bailey is one of the modern era's most misunderstood occult figures. Bailey's journey is a story of faith from orthodox Christian beginnings through a protracted spiritual crisis to a newfound belief in Theosophy. A mystic and a seeker, a founder of global spiritual organizations and a surmounter of adversity, Bailey's past is rife with injustices, myths and misconceptions including that she was an anti Semite and a racist with a dark agenda. With scandals and controversies laid bare, Bailey's extraordinary life is revealed as a powerful, remarkable legacy. Esoteric Astrology for the New Age, Vol 1: The Esoteric Foundations Bodo Balsys, 2023-09-14. There is a vast amount of esoteric information to further present to the world's disciples. In the field of astrology, this is especially needed. The information here is based upon Alice Bailey's Esoteric Astrology and extends this work with additional esoteric information. This is in line with what I have already published in my former books and presents a line of esoteric reasoning that most students of this doctrine have yet to discover. These astrological volumes are the foundation for many revelations to come. This volume presents the basis to comprehending the vast reaches of this science. For enlightened beings, astrological knowledge is the lore of the universe and this astrology governs the manifestation of cosmic Law. The evolution of humanity is a progression and so also the evolutionary attainment of Hierarchy. Hierarchy must move with the times and offer disciples more advanced esoteric lore and their higher scientific verities than was possible before. This is one such presentation from the vast store of Hierarchical ken that hopefully many will gain succour from. Esoteric Astrology Alice A. Bailey, Djwhal Khul, 2012-12-01. The science of esoteric astrology is said to be the basic occult science of the future. Astrology is described in this book as the science of relationships, a science which deals with those conditioning energies and forces which play through and upon the whole field of space and all that is found within it. **New Zealand Books in Print 2004** Thorpe-Bowker Staff, 2004-06. Directory containing updated bibliographic information on all in print New Zealand books. 33rd edition of an annual publication. The 12 500 book entries are listed by title and there is an index to authors. Also provided are details of 975 publishers and distributors and local agents of overseas publishers. The book trade directory includes contacts for trade organisations, booksellers, public libraries and specialised suppliers. NZ literary awards and past winners and sources of financial assistance for writers and publishers. **Alice A. Bailey, Vida e Legado** Isobel Blackthorn, 2022-01-11. Uma leitura obrigatória para qualquer estudante Bailey para qualquer pessoa interessada no movimento da Nova Era e para aqueles que se perguntam no meio do nosso mundo confuso e dividido onde tudo isto vai acabar. Steven Chernikeeff autor de Esoteric Apprentice. Desde os trágicos começos como aristocrática até se tornar a mãe do movimento espiritual da Nova Era, Alice A Bailey uma das figuras ocultistas mais mal compreendidas da era moderna. A jornada de Bailey uma história de fé desde seu começo cristão ortodoxo passando por uma prolongada crise espiritual até uma nova crença na Teosofia Mística e buscadora fundadora de organizações espirituais pelo mundo superou muitas adversidades e o passado de Bailey está cheio de injustiças, mitos e conceitos errados incluindo que ela era antissemita e racista com uma agenda sombria. Com escândalos e

controvérsias reveladas a vida extraordinária de Bailey mostrada como um legado poderoso e notável

Occultism in a Global Perspective Henrik Bogdan, Gordan Djurdjevic, 2014-09-11 The study of the ideas and practices associated with occultism is a rapidly growing branch of contemporary scholarship. However, most research has focused on English and French speaking areas and has not addressed the wider spread and significance of occultism. *Occultism in a Global Perspective* presents a broad international overview. Essays range across the German magical order of the Fraternitas Saturni, esoteric Satanism in Denmark, sexual magic in Colombia and the reception of occultism in modern Turkey, India and the former Yugoslavia. As any other form of cultural practice, the occult is not isolated from its social, discursive, religious and political environment. By studying occultism in its global context, the book offers insights into the reciprocal relationships that colour and shape regional occultism.

The Book of Immediate Magic - Part 2 Jacobus G. Swart, 2018-08 The Shadow Tree Series comprises a unique collection of Western Esoteric studies and practices which Jacobus G. Swart, spiritual successor to William G. Gray and co-founder of the Sangreal Sodality, has actuated and taught over a period of forty years. In *The Book of Immediate Magic Part 1*, Jacobus G. Swart perpetuates the fundamental tenets of Self Creation in which it is maintained that the Centre establishes the Circumference and that personal reality is emanated in harmony with personal Will. Hence, this tome comprises an enhancement and expansion of the magical doctrines and techniques of Practical Kabbalah addressed in *The Book of Self Creation*, *The Book of Sacred Names* and *The Book of Seals Amulets*. Jacobus Swart claims that working Immediate Magic is neither impossible nor difficult when we fully understand that consciousness is just one vast ocean and that thoughts are the waves we make in it. It is all a matter of coordinating consciousness.

The Engaging World of E-book Books: A Detailed Guide Revealing the Advantages of Kindle Books: A World of Convenience and Versatility Kindle books, with their inherent portability and simplicity of availability, have liberated readers from the constraints of hardcopy books.
