Shambhala Oasis Of Light:

Shambhala Andrew Tomas,1977 *Shambhala* Victoria LePage,2014-08-22 For thousands of years stories have been told about an inaccessible garden paradise hidden among the icy peaks and secluded valleys of the Himalayas Called by some Shangri la this mythical kingdom where the pure at heart live forever among jewel lakes wish fulfilling trees and speaking stones has fired the imagination of both actual explorers and mystical travelers to the inner realms In this fascinating look behind the myth Victoria LePage traces the links between this legendary Utopia and the mythologies of the world Shambhala LePage argues persuasively is real and may be becoming more so as human beings as a species learn increasingly to perceive dimensions of reality that have been concealed for millennia Shambhala: Oasis of Light Andrew Tomas,2018-11-09 In a lost kingdom of ancient high wisdom a brotherhood dedicated to the spiritual resurrection of mankind Around our planet lies a forcefield which may contain the accumulated thought transmissions from the beginning of human history Mother Nature s memory termed Akasha in ancient Indian literature records everything and cannot be obliterated Legends of a mysterious kingdom beyond the Himalayas of an oasis of advance culture hidden deep in the mountains of Central Asia have permeated our history for centuries Is this legendary kingdom real Is there a Shangri La housing a brotherhood dedicated to the spiritual resurrection of mankind Have Jesus Christ Buddha and other great reformers been sent from this lost oasis as messiahs bringing a higher state of consciousness to our world Renowned author and Ancient Alien researcher Andrew Tomas Beyond the Time Barrier On the Shores of Endless Worlds and Atlantis From Legend to Discovery presents impressive evidence from ancient Tibetan sources proving that Shambhala although remaining hidden from western civilization for eons does indeed exist **A Hitchhiker's Guide To Armageddon** David Hatcher Childress,2011-03-09 With wit and humor popular Lost Cities author David Hatcher Childress takes us around the world and back in his trippy final to the Lost Cities series He s off on an adventure in search of the apocalypse and end times Childress hits the road from the fortress of Megiddo the legendary citadel in northern Israel where Armageddon is prophesied to start Hitchhiking around the world Childress takes us from one adventure to another to ancient cities in the deserts and the legends of worlds before our own Childress muses on the rise and fall of civilizations and the forces that have shaped mankind over the millennia including wars invasions and cataclysms He discusses the ancient Armageddons of the past and chronicles recent Middle East developments and their ominous undertones In the meantime he becomes a cargo cult god on a remote island off New Guinea gets dragged into the Kennedy Assassination by one of the conspirators investigates a strange power operating out of the Altai Mountains of Mongolia and discovers how the Knights Templar and their off shoots have driven the world toward an epic battle centered around Jerusalem and the Middle East Mysteries of the Bridechamber Victoria LePage,2007-11-12 Jesus was an initiate and adept of the ancient Judaic mysteries who strove to reinstate the tradition of the bridechamber sacrament in his time Shows that Jesus sought to establish equity of masculine

and feminine in both spiritual practice and social traditions particularly in the sacrament of marriage Reinterprets Jesus key teachings in light of the ancient tradition of sacred consortship Reveals what happened to the gnostic heart of Christianity that Jesus embodied Jesus was a high initiate and master adept of the ancient Judaic mysteries who strove to free people from the dead hand of the ritualists He was trained in a dissident Jewish brotherhood that arose in Egypt before he was born which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem temple At the heart of this movement was a yogic based practice known in the apocrypha as the Gnosis of the Heart which espoused the union of both sexes in a secret initiatic teaching As a fearless social reformer Jesus wanted to restore the authority of the feminine principle including asserting the equality of man and woman in the social contract of marriage He reinstated in his own life the tradition of sacred consortship a rite known to early Church fathers as the bridechamber sacrament whereby the marriage of the masculine and feminine energies was effected This rite Victoria LePage suggests was the primary focus of Jesus teachings the very heart of his exhortations to love thy neighbor and the source of his healing power Mysteries of the Bridechamber explains how as a master adept of the Temple of Solomon Jesus derived these teachings directly from ancient Judaic mystery traditions revealing both a life story for Jesus that differs markedly from the version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of self initiation and transformation

Secret Societies Michael Howard, 2007-12-05 An overview of how esoteric brotherhoods have shaped history Examines the secret chronology and clandestine causes of seminal world events Shows how secret societies feed into one another and how they have worked together For thousands of years secret societies guardians of ancient esoteric wisdom have exercised a strong and often crucial influence on the destiny of nations Though largely ignored by orthodox historians the Freemasons Knights Templar and Rosicrucians affected the course of the French and American Revolutions as well as the overthrow of the medieval feudal order Inevitably the true ideals and esoteric practices of these societies have at times been perverted by self serving individuals The Nazis and the Bolsheviks British security forces the founding fathers of America and the Vatican have all justified their actions for good or for ill by claiming the mystic ideals of secret societies Michael Howard explores these connections tracing their effects in politics and statecraft from the time of ancient Egypt up to the present He sheds light on the influence of secret societies on governments and in the lives of many well known figures including Frederick the Great John Dee Francis Bacon Benjamin Franklin Comte de Cagliostro Helena Blavatsky Rasputin and Woodrow Wilson He contends that the recent formation of the European Union was directed by an umbrella group of secret societies and reveals that though secret societies have been persecuted throughout history they have survived and continue to operate powerfully in world affairs today
