With empathy and biblical insight, Wilson is the perfect guide to emotional healing for anyone who has experienced dysfunction or abuse, as she reminds you of God's loving care and presence in your journey toward wholeness.

Reflective Parenting Sheila Redfern, Alistair Cooper, 2015-09-07 Have you ever wondered what's going on in your child's mind? This engaging book shows how reflective parenting can help you understand your children, manage their behaviour, and build your relationship and connection with them. It is filled with practical advice showing how recent developments in mentalization, attachment, and neuroscience have transformed our understanding of the parent-child relationship and can bring meaningful change to your own family relationships. Alistair Cooper and Sheila Redfern show you how to make a positive impact on your relationship with your child, starting from the development of the baby's first relationship with you as parents to how you can be more reflective in relationships with toddlers, children, and young people. Using everyday examples, the authors provide you with practical strategies to develop a more reflective style of parenting and how to use this approach in everyday interactions to help your child achieve their full potential in their development, cognitively, emotionally, and behaviourally. *Reflective Parenting* is an informative and enriching read for parents, written to help parents form a better relationship with their children. It is also an essential resource for clinicians working with children, young people, and families to support them in managing the dynamics of the child-parent relationship. This is a book that every parent needs to read.

Mending the Soul, Second Edition Steven R. Tracy, Celestia G. Tracy, 2023-04-04 A well-researched biblical and scientific overview of abuse, its various types and effects, and how to heal from it. Abuse can be sexual, physical, neglect, spiritual, and verbal. The chief arguments pursued throughout the book are: Abuse is far more rampant than most Christians realize, but due to human depravity and satanic influence, widespread abuse is predicable. All types of abuse create profound, long-term soul damage due to the way abuse perverts various aspects of the image of God. God is the healing redeemer. Human salvation came through horrible physical abuse. Healing must take place in the context of relationships. Humans are deeply impacted by others due to being made in the image of God. Just as surely as abusive relationships have tremendous power to wound the soul, so healthy relationships have tremendous power to nurture and heal the soul. Questions answered in the book include: How can a genuine believer abuse a child? Why would someone abuse a child? How can parents

and children's workers identify abusers How can abuse victims heal What does genuine healing look like Is anger appropriate or hurtful for abuse victims Where does forgiveness fit in This second edition has been updated to reflect research conducted and published in the past 15 years on abuse and trauma It accounts for the significant social changes and increased mental health struggles in our culture including dramatic escalation in rates of depression anxiety suicide and isolation which exacerbate the effects of abuse and complicate the healing process Based on their now extensive trauma care experience this new edition helps readers how to minister to new domestic and global victims such as sex trafficking survivors foster children refugees and survivors of genocide Examples and illustrations are updated with more recent ones from high profile abuse cases and the aftermath of the MeToo movement The appendixes include lists of helpful resources for child protection policies worker parent child abuse education warning signs of potential abusers and general abuse resources books internet sites and organizations to equip ministry leaders are provided in appendices Illustrations case studies and art therapy drawings

The Journey of the Heroic Parent Brad M. Reedy, 2016-01-19 Raising a child struggling with mental health issues addiction depression suicidal thoughts eating disorders or even just teen angst can be frightening and confusing When all you've done is not enough when your child seems lost and you feel inept and impotent Dr Reedy can help you take the necessary steps to find your child not with cursory cures or snappy solutions but rather by effecting positive change in your own behaviour
