Coming Alive Louis Rogers,2000-09 Just as the universe provides light and heat from the sun in order for life to survive and flourish on our planet the universe also provides the basic energy out of which everything has come into existence and from which our further development can proceed We have always had the tools for transformation within our grasp and the fuel the energy that feeds the process is as open to us as the air we breathe All things that come into existence are formed from this energy which of itself cannot be seen but which can be accessed entered into and physically felt In its various forms it provides the very substance out of which the material universe has come into being It is in fact everything that ever was everything that is everything that will ever be In one for it is the body you inhabit in another the thoughts that come bidden and unbidden into your mind It is the substance of life the energy of the universe the life force This energy itself is the connection for which we seek Shang Han Lun Zhongjing Zhang,Chang Chung-Ching,Hong-Yen Hsu,1995

Structure-activity Relationship Analysis of Chinese Anticancer Drugs and Related Plants Eric J. Lien,Wen Y. Li,1985 *Shang Han Lun* Zhang Ji,2022-07-26 The Shang Han Lun has been a primary treatment theory and practice source for nearly two millenia Its author Zhang Zhong Jing has been named the Chinese Hippocrates to highlight the depth and breadth of his contribution to traditional Chinese drug therapy This edition features the Chinese text Pinyin transliteration and an English translation of the entire Song Dynasty text the content and textual order most used in Asia Just as in Chinese language editions it is fully supplemented with notes and commentaries The notes describe the clinical symptoms Zhang Zhong Jing associated with the Chinese terms For example modern interpretations of a moderate pulse often refer to the speed of its beats The same term when used in the Shang Han Lun refers to a pulse that is loose soft and harmonious Such notes provide practitioners with the clinical observations necessary to properly apply the information The commentaries further enhance the text s clinical utility by explaining the theoretical and practical foundations behind the lines of text Because entire bodies of theory and practice can be associated with the terms and expressions used in canonical works like the Shang Han Lun commentaries have become a standard means of knowledge acquisition for Asian students The commentaries in this edition serve exactly the same purpose greatly enhancing its utility The introductory matter explains the background of the text the conceptual structure of its contents and the problems of exegesis The appendices are designed to assist those studying Chinese and the glossary and the full Pinyin English index make this an easily accessed reference *Bibliographic Guide to East Asian Studies* New York Public Library Staff,1996-07 An aid for reseaching non
