Shapers Of America:

Shapers of American Childhood Kathy Merlock Jackson, Mark I. West, 2018-09-24 The experience of growing up in the U S is shaped by many forces Relationships with parents and teachers are deeply personal and definitive Social and economic contexts are broader and harder to quantify Key individuals in public life have also had a marked impact on American childhood These 18 new essays examine the influence of pivotal figures in the culture of 20th and 21st century childhood and child rearing from Benjamin Spock and Walt Disney to Ruth Handler Barbie s inventor and Ernest Thompson Seton founder of the Boy Scouts of America

Shapers of America , *The News Shapers* Lawrence C. Soley, 1992-04-20 Analysts political scientists scholars and consultants The News Shapers describes the elite club of individuals that the media approach for inside information background or predictions concerning the outcome of still unfolding stories Although they are presented as detached experts Lawrence C Soley uncovers their long histories of partisanship as former government officials or politicians and charges that most of the shapers have no better credentials than the millions of people to whom the news media never turn Soley s findings based on a University of Minnesota study which examined three major networks evening newscasts during 1987 1988 reveal that a small number of white politically conservative men associated with Washington based think tanks former Republican administrations and private East Coast universities virtually monopolize political discourse in the mass media Dispelling the myth of the media s liberal bias Soley discusses the shortcomings of both print and broadcast journalism which lead to selection of partisan news analysts and the effects of their commentaries on foreign and domestic affairs Special attention is given to Henry Kissinger Washington Think Tanks and the media s handling of the conflict with Iraq The News Shapers identifies the experts their past political affiliations and their often thin academic credentials It is highly recommended for scholars in communications journalism and political science as well as for newspaper readers and television news viewers
