Archetypal Coaching Alba Carod, 2025-08-25 Archetypal Coaching offers a transformative approach to personal growth blending ancient Greek astrological foundations and dream work with modern coaching techniques somatic awareness and Jungian active imagination Astrological archetypes illuminate the roots of struggles and highlight potential resources while dreams act as a focused lens bringing attention to issues that require immediate exploration The approach explored within this book emphasizes interactive dialogue with archetypes and symbols using embodied imagination and somatic awareness to guide clients in creating a personal symbol that embodies their inner
