Shards Of Darkness:

Styx, 2017 **Finsternis** Jenifer Schindovski, 2021-06-09 Eclipse poem collection This dark tent of shadows Let s dance through the night Until the shadows of the night break in on themselves Until a new day dawns I awake again but in which world A dark tent of shadows surrounds me what awaits me in the darkness *Shadow Genesis* Ricky Thomas Jr., 2010-04-23 Welcome to the Shadow Realm a realm of eternal night Now under the new and graceful order of Malice Khan the dawn of a new era now emerges Daughter of former king Darkerage a powerful and tyrannical king all of Shadow Realm knows the dangers that come to those who act against her However while there are those who swear allegiance to her every will there are others willing to defy and overthrow her from birthright Sensing the coming change as Malice Khan brings her people solace throughout a once chaotic and darker than dark world enemies of old and new rise from the deepest of shadows in hopes to end her reign and bring back the darkness that Malice has fought hard to renew This may be a much more easier task for her unyielding foes for a devious entity awaits in a world which ties have once entwined with the world of Shadow Realm itself **Briardark** S.A. Harian, 2023-01-16 Survival and cosmic horror collide in this new series perfect for fans of LOST and House of Leaves For Dr Siena Dupont and her ambitious team the Alpenglow glacier expedition is a career defining opportunity But thirty miles into the desolate Deadswitch Wilderness they discover a missing hiker dangling from a tree and their satellite phone fails to call out Then the body vanishes without a trace The disappearance isn t the only chilling anomaly Siena s map no longer aligns with the trail The glacier they were supposed to study has inexplicably melted Strange foliage overruns the mountainside and a tunnel within a tree hollow lures Siena to a hidden cabin and a stranger with a sinister message Holden Sharpe s IT job offers little distraction from his wasted potential until he stumbles upon a decommissioned hard drive and an old audio file Trapped on a mountain Dr Siena Dupont recounts an expedition in chaos and the bloody death of a colleague Entranced by the mystery Holden searches for answers to Siena s fate But he is unprepared for the truth that will draw him to the outskirts of Deadswitch Wilderness a place teeming with unfathomable nightmares and impossibilities A new robust literary voice delivers an eerie intense story Kirkus Reviews **Fall of Blaze** H. O. Charles, 2017-03-30 The Darkworld turns ever more slowly and its skies grow bleaker by the hour Field by field the lands fade to dust while creatures of the night crawl and creep and seek to claim the day Artemi s desire to protect those she loves has resulted in catastrophe a catastrophe that would knock the strongest stuff from any warrior and it may now fall to others to do the right thing Unfortunately for the fate of all worlds each and every one of those others will have their own ideas about what that right thing is Volume 6 of The Fireblade Array [Ogmios Rising](#) JP Raley, 2022-07-01 How long can a person live with regret What about guilt For some people they can either hold it for a lifetime or become a broken shell For others however guilt and regret can also create unexpected consequences In this tale an old man finds himself out on a harsh winter s night looking for shelter when he comes across an old abandoned farmhouse As the old man knocks on the house s

front door to see if anyone lives there little does he realize that he s knocking on the very entrance of madness itself What begins as a search for warmth will see this old man face the horrors of a night he will never forget Told between the lines of truth and fiction this book dives into the origins of a person who will change the way the entire world thinks unless the world changes them first while making the reader wonder if a person can truly be haunted or if the haunting is truly made up in a person s head Throughout a single night the old man is terrorized and haunted by the house as it pulls him into the madness of the doors that stand before him Or is something taunting the old man from the other side of those doors Memories are often said to be the doorways of our lives back to the days of our younger days but for this old man these memories are reliving themselves through the very house itself Literal ghosts taunt and take their wrath against the man as he relives memories once more However not everything is as what it seems as he is reliving those memories from different lifetimes in a sequence of non stop nightmares Or is he In a world where things are not as they seem what seems to be the truth isn t always what is seen Especially in a house that throws your body through doors and against walls Especially with a man who is more than what he seems So why is he finding himself living in a nightmare Even more so why are the nightmares reawakening spirits that only this man knows about Do the demons within the old abandoned farmhouse know him or does he recognize them When the night and the farmhouse are finished with the man an ending will be shown but so will a new beginning Not everything you see is as it appears to be With JP Raley s voice Ogmios Rising merges the lines of fiction and nonfiction with a mystery that leaves readers guessing what is genuinely going on leaving a trail that will lead directly into the next book currently being written In a world where we need to focus more on mental health this book asks you the question what is it that you are truly seeing Begin the journey of a new trilogy of tales that questions what we know by offering new and alternative ideas on what we really know about the world around us **Frostgrave: The Wizards'**

McCullough,2019-02-21 Wizards tend to be secretive and solitary rarely sharing their knowledge and associating with only a select few apprentices followers and henchmen It is rare that they spend time in the company of other spellcasters and rarer still that they work together Now however something is about to take place that has not occurred since the great days of Felstad a gathering of wizards In this new supplement for Frostgrave some of the biggest names in gaming turn their creative powers towards the Frozen City each contributing a scenario and adding their own flair to the game Featuring scenarios by Alessio Cavatore Alex Buchel Andy Chambers Gav Thorpe Chris Pramas Daniel Mersey Andrea Sfiligoi and many more this tome provides a collection of adventures that will pit players against unimaginable foes and challenges pushing their wizards and warbands to new limits *Throne Challenge* Eihab Eltayeb Mustafa Ahmad,2024-10-28 Prepare for an exhilarating adventure with The Throne Challenge by the dynamic new fantasy author Eihab El Tayeb This spellbinding novel catapults you into a breathtaking world of high fantasy where you meet the extraordinary young hero Yazan Destined for greatness he is the bearer of an astonishing secret the legendary Stones of Truth These enchanted gems
