Share House Survival Guide:

The Share-House Survival Guide Liz Poole, Amanda McKenzie, 2001 Learn to embrace pettiness Living in a share house your mind will be preoccupied with trying to solve earth shatteringly vital questions like why don't I ever get to sit in the best armchair Nobody prepares you for a share household Watching Friends doesn't really qualify There's no research into the psyches of sharers or popular psychology books such as I'm from Venus my housemate is from Mars In fact there has been a disturbing absence of collected wisdom on the subject Until now The experience of sharing a house is changing It is often a more long term prospect occurring at different points in life The Share House Survival Guide contains the unwritten wisdom that comes from the many years of experience of share household members It is a humorous informative and practical guide to living in share houses The guide takes a humorous and fun approach to the subject with interactive elements such as a housemate chart and quizzes while aiming to address some of the more serious issues and dilemmas that come with the territory of sharing

House Sharing and Young Adults Vicky Clark, Keith Tuffin, 2022-12-27 House Sharing and Young Adults offers unique insight into the dynamics of successful house sharing among young adults and questions some of the myths fostered by the negative stereotyping of housemates Illustrated with research from interviews with young adults it explores co residence interpersonal relationships and young people's development Beginning with an overview of the concept and history of house sharing among young adults Clark and Tuffin's volume also examines the reasons for the lack of research into the area up until recently It explores key questions including how young adults choose housemates what makes a desirable housemate avoiding complications the psychological advantages of house sharing how conflict arises and the impact of house sharing on adult development The authors challenge the stigma of shared domesticity demonstrating the potential of house sharing to enhance well being through companionship while acknowledging the potential pitfalls caused by tension in intimate settings House Sharing and Young Adults will be essential reading for both undergraduate and postgraduate students of social psychology developmental psychology sociology and anthropology as well as those interested in group dynamics housing demographics and discrimination
