Values in Sex Education Mark Halstead, Michael Reiss, 2003-09-02

Sex education is rarely out of the news. Despite this, there exist surprisingly few studies of the principles, policies, and practice of sex education. This book provides such an examination, focusing on the values to which children are exposed in sex education. Sex education inevitably involves the transmission of values, regardless of whether this is intended by teachers. Throughout the book, academic and professional literature on both values and sex education is reviewed and discussed. The authors look at the implicit liberal values which underpin programmes of sex education and at the challenges presented by the diversity of values in contemporary society. The book also considers why values are central to sex education. Children's voices and children's values. Religious and family values. Achievable aims for school sex education. How to help young people to reflect critically on the influences to which they are exposed and on their own developing sexual values. How to build values into practical approaches to sex education at both primary and secondary levels. This timely book will help all those involved in sex education to steer a path between controversial and often opposing views and will be essential reading for students on PGCE and BEd courses. It will also be a valuable resource for teachers and professionals involved in teaching sex education, such as teachers of personal and social education, form tutors, heads of year, school nurses, health workers, and academics.

Sweetheart Treasures, Sharing the Value of Sexual Purity Catherine E. Wood, 1994-06. The purpose of this Guide is to provide parents, other caring adults, with a positive plan to share the value of sexual purity with their young people. The guide can be used with or without the SWEETHEART TREASURES pendants, gift cards. Pastor Scott Buzz Inboden, Columbus, Ohio, said: "I've met many parents who waited too long to teach their children the wonders of Biblical sexuality. This book guides parents through a tender process that embeds truth deeply into the heart and head. Even if you did everything wrong when you were a teen, this book can help you have hope, give you confidence to introduce your teen to God's better way to celebrate his or her sexuality. By focusing on the emotional, spiritual aspects of sexuality, this book guides young people through a decision-making process that helps them make a responsible choice. The beauty of God's plan for marriage, then, sex is clearly established. Not only will young people understand what God's plan for marriage, sex is, but they will understand why it is the best plan."
