Joshua Leifer

Shattered Tablets:

Tablets Shattered Joshua Leifer, 2024-08-20 Winner of the National Jewish Book Award in Modern Jewish Thought and Experience From esteemed journalist Joshua Leifer a definitive look at the history and future of American Jewish identity and community from the tipping point we are living in *Tablets Shattered* is Joshua Leifer's lively and personal history of the fractured American Jewish present Formed in the middle decades of the twentieth century the settled upon pillars of American Jewish self definition Americanism Zionism and liberalism have begun to collapse The binding trauma of Holocaust memory grows ever more attenuated soon there will be no living survivors After two millennia of Jewish life defined by diasporic existence the majority of the world's Jews will live in a sovereign Jewish state by 2050 Against the backdrop of national political crises resurgent global antisemitism and the horrors of the Israel Hamas war in Gaza Leifer provides an illuminating and meticulously reported map of contemporary Jewish life and a sober conjecture about its future Leifer begins with the history of Jewish immigrants in America starting with the arrival of his great grandmother Bessie from a shtetl in Belarus and following each subsequent generation as it conformed to the prevailing codes of American Jewish life He then reports on the state of today's burning Jewish issues We meet millennial Jewish racial justice organizers Orthodox political activists young liberal rabbis looking to queer the Torah through exegesis Haredi men learning full time at the world's largest yeshiva progressive anti Zionists attempting to separate Judaism from nationalism and right wing Israeli public intellectuals beginning to imagine a future without American Jews As it traverses today's Jewish landscape through uncommon personal familiarity with the widest range of Jewish experience *Tablets Shattered* also charts the universal quest to build enduring communities amid historical and political rupture

The Gods Are Broken! Jeffrey K. Salkin, 2022-05-17 The story of Abraham smashing his father's idols might be the most important Jewish story ever told and the key to how Jews define themselves In a work at once deeply erudite and wonderfully accessible Rabbi Jeffrey K Salkin conducts readers through the life and legacy of this powerful story and explains how it has shaped Jewish consciousness Offering a radical view of Jewish existence *The Gods Are Broken* views the story of the young Abraham as the primal trauma of Jewish history one critical to the development of a certain Jewish comfort with rebelliousness and one that happening in every generation has helped Jews develop a unique identity Salkin shows how the story continues to reverberate through the ages even in its connection to the phenomenon of anti Semitism Salkin's work combining biblical texts archaeology rabbinic insights Hasidic texts some never before translated philosophy history poetry contemporary Jewish thought sociology and popular culture is nothing less than a journey through two thousand years of Jewish life and intellectual endeavor

Commentary on the New Testament from the Talmud and Midrash Hermann Strack, Paul Billerbeck, 2021-11-03 Volume three contains an English translation of the commentary on Romans through Revelation Hermann L Strack and Paul Billerbeck's *Commentary on the New Testament from the Talmud and Midrash* is an important reference work for illustrating the concepts theological

background and cultural assumptions of the New Testament The commentary walks through each New Testament book verse by verse referencing potentially illuminating passages from the Talmud and Midrash and providing easy access to the rich textual world of rabbinic material Originally published between 1922 and 1928 as *Kommentar zum Neuen Testament aus Talmud und Midrasch* Strack and Billerbeck's commentary has been unavailable in English until now Translated by Joseph Longarino and edited by Jacob N Cerone this volume also includes an introduction by David Instone Brewer *The Wisdom of Solomon and Us* Rabbi Marc D. Angel, PhD, 2016-05-18 A fascinating exploration of biblical texts attributed to the ancient King Solomon Ecclesiastes Proverbs and the Song of Songs and what they teach us about life's meaning and mission the significance of each human being in the vastness of space and eternity of time ethics righteousness spirituality and our relationship with God Swimming in the Sea of Talmud Michael Katz, Gershon Schwartz, 1998 A clear accessible guide to reading and understanding the Talmud This book offers a unique introduction to the study of the Talmud and suggest ways to apply its messages and values to contemporary life Imaginatively conceived this volume is recommended for both individuals and group study sessions **Catholic Discussion of Seventh-day Adventism** Stephen Korsman, 2016-08-29 Seventh day Adventists give Catholics a hard time with the misinformation they spread about the Catholic Church and the day of the week they worship on This ebook is one Catholic's study of Adventist claims the Bible and the Catholic Church It attempts to show the biblical basis for Christianity's abandonment of the Old Testament sabbath the biblical basis for Sunday observance and takes a look at other pertinent topics relating to Adventism and Catholicism The Healing Power of Psalms Samuel Chiel, Henry Dreher, 2007-09-28 Originally published For Thou art with me Emmaus Pa Daybreak S l Distributed to the book trade by St Martin's Press c2000 **A Brief Walk through the Books of the Old Testament** Tony Smith, 2022-11-03 The Old Testament is a formidable book a historic journey moving from creation through the time of Noah and the flood to Abraham and his descendants Moses and the children of Israel high priests judges kings and the spoken words of God through the prophets In my studies of the books of the Old Testament I find that God's purpose and revelations are obscured with pages and pages of detail that makes for cumbersome reading and a somewhat distant grasp of its inspirations I wrote this book to summarize the main points from Genesis to Malachi and to provide the historical elements such as dates to tie the story to historical settings and events I have also pointed out along the way the presence of Christ and the Holy Spirit in these Old Testament writings Most of the books of the Old Testament are prophetic There were approximately eight hundred prophecies in the Old Testament and a large portion approximately six hundred have been fulfilled There is not a single biblical prophecy that pertains to a time that has now passed that is not fulfilled My goal is for this writing to serve as an easy and comfortable format for the reader to get to know God who we are to Him why we are here and to discover His wonderful pathway leading to eternal life I want to reach those who are led to the Word of God and upon opening up a Bible and reading a few pages become discouraged by its vastness and disconnect of such long ago times The Old Testament truly

has a long but remarkable timeline of history and I have endeavored to tie its writings accordingly in a brief walk through these inspired books of the Word of God **The Mystical Exodus in Jungian Perspective** Shoshana

Fershtman,2021-04-07 The Mystical Exodus in Jungian Perspective explores the soul loss that results from personal collective and transgenerational trauma and the healing that unfolds through reconnection with the sacred Personal narratives of disconnection from and reconnection to Jewish collective memory are illuminated by millennia of Jewish mystical wisdom contemporary Jewish Renewal and feminist theology and Jungian and trauma theory The archetypal resonance of the Exodus story guides our exploration Understanding exile as disconnection from the Divine Self we follow Moses keeper of the spiritual fire and Serach bat Asher preserver of ancestral memory We encounter the depths with Joseph touch collective grief with Lilith experience the Red Sea crossing and Miriam s well as psychological rebirth and Sinai as the repatterning of traumatized consciousness Tracing the reawakening of the qualities of eros and relatedness on the journey out of exile the book demonstrates how restoring and deepening relationship with the Sacred Feminine helps us to transform collective trauma This text will be key reading for scholars of Jewish studies Jungian and post Jungian studies feminist spirituality trauma studies Jungian analysts and psychotherapists and those interested in healing from personal and collective trauma
