Shaw's People Stanley Weintraub,1996 How could Bernard Shaw have found anything to admire in Queen Victoria Or in the passionate evangelical General William Booth of the Salvation Army What possible connections could there be between Shaw the passionate socialist and the Tory Winston Churchill who seemed to represent everything Shaw should have rejected and despised In *Shaw's People* noted Shaw scholar Stanley Weintraub explores the relationships between Shaw and twelve of

his contemporaries including Queen Victoria Oscar Wilde H L Mencken James Joyce and Winston Churchill Weintraub chose these individuals as lenses through which to look at Shaw but also for the ways in which their lives are illuminated through their often paradoxical relationships with Shaw While Shaw never met Queen Victoria his sovereign during the first forty five years of his life the degree of her influence is apparent in Shaw s reference to himself in his ninth decade as an old Victorian Weintraub explores those in the literary world who interacted with Shaw such as H L Mencken one of Shaw s earliest American fans who turned against his hero at the peak of his transatlantic reputation and James Joyce who was loath to confess his respect for his fellow Irishman He investigates the curious mutual admiration between Shaw and W B Yeats and Shaw s championing of Oscar Wilde despite the vast difference in their lifestyles Weintraub s skillful investigation of each of these twelve relationships illuminates a different facet of Shaw from his pre dramatist years in London through the close of his long life
