She Wears The Pants:

Gideon Cynthia Woolf, 2015-09-17 The Surprise Brides One determined mama four reluctant brothers four mail order brides Meet Jamie Caleb Gideon and Ethan As the local preacher Gideon Fraser often talks about the many virtues of a good marriage but that doesn't mean he has the slightest inclination of claiming a bride of his own No he's been burned before by greedy women who only want the prestige and money the Fraser family name can provide When his mother's devious matchmaking results in his unexpected wedding Gideon looks at the beautiful face of the woman who has sworn to be his and wants nothing to do with her But Gideon is in danger of losing his heart until he discovers the truth His new wife lied to him about everything Ruby Haller needed a husband and fast A treacherous man promised her the world took her virginity and left her without a father for her unborn child When her father the town minister found out she was expecting a child he offered her hand in marriage to the meanest man in town Becoming a mail order bride appeared to be a safer choice But instead of a rancher she ends up the wife of a stubborn bull headed preacher and he's none too pleased when he discovers her duplicity Worse The local town beauty who had been courting him for years is determined to make her life a living hell But Angel Springs Colorado is a small town that can inspire big dreams It's nearly Christmas and as these two hearts heal a holiday miracle just might be within reach

Chantal Kwast-Greff, 2013 Chaos Pain Self mutilation Women starve themselves They burn or slash their own flesh or their babies throats and slam their newborns against walls Their bodies are the canvases on which the suffering of the soul carves itself with knife and razor In Australian fiction written by women between 1984 and 1994 female characters inscribe their inner chaos on their bodies to exert whatever power they have over themselves Their self inflicted pain is both reaction and language the bodily sign not only of their enfeeblement but also to a certain extent of their empowerment of themselves and their world The texts considered in this book chiefly by Margaret Coombs Kate Grenville Fiona Place Penelope Rowe Leone Sperling and Amy Witting function as both defiance and acceptance of prevailing discourses of femininity and patriarchy between submission and a possible future The narratives of anorexia bulimia fatness self mutilation incest and murder shock the reader into an understanding of deeper meanings of body and soul and prompt a tentative interpretation of fiction in relation to the world of real women and men in contemporary white Australia This is affective literature with the reader in voyeuristic complicity Holding up the mirror of fiction the women writers act perforce as a social lever their narratives as Bildungsromane But there is a risk that of reinforcing stereotypes and codes of conduct which supposedly long gone still represent women as victims Why are the female characters self destroyers and victims Why are they not heroes saviours or conquerors If women read about women themselves and feel pity for the Other they read about they will also feel pity for themselves there is little happiness in being a woman But infanticide and distorting the body are problem solving behaviours In truth the bodies of the female characters bear the marks and scars of the history of their mothers and the history of their grandmothers indeed that of their own the
