Shelley His World

Claire Tomalin

Shelley His World:

Shelley and His World Claire Tomalin, 1980 **Shelley's Living Artistry** Madeleine Callaghan, 2017 This study of the poetry and drama of Percy Bysshe Shelley reads the letters and their biographical contexts to shed light on the poetry tracing the ambiguous and shifting relationship between the poet's art and life For Shelley both life and art are transfigured by their relationship with one another where the poet participates in the eternal the infinite and the one but is equally bound up with and formed by the society in which he lives and the past that he inherits Callaghan shows that the distinctiveness of Shelley's work comes to rest on its wrong footing of any neat division of life and art The dazzling intensity of Shelley's poetry and drama lies in its refusal to separate the twain as Shelley explores and finally explodes the boundaries between what is personal and what is poetic Arguing that the critic like the artist cannot ignore the conditions of the poet's life Callaghan reveals how Shelley's artistry reconfigures and redraws the actual in his poetry The book shows how Shelley's poetic daring lies in troubling the distinction between poetry as aesthetic work hermetically sealed against life and poetry as a record of the emotional life of the poet **A Library of the World's Best Literature** Charles Dudley Warner, Hamilton Wright Mabie, Lucia Isabella Gilbert Runkle, George H. Warner, 1897 **Shelley's Poetic Thoughts** Richard Cronin, 1981-02-19

The Warner Library: The world's best literature Charles Dudley Warner, John William Cunliffe, Ashley Horace Thorndike, Harry Morgan Ayres, Helen Rex Keller, Gerhard Richard Lomer, 1917 **Shelley's Music** Paul A. Vatalaro, 2016-01-13 First published in 2009 This book argues that the images of and allusions to music in Shelley's writing demonstrate his attempt to infuse the traditionally masculine word with the traditionally feminine voice and music This further extends to his even more fundamental desire to integrate the object voice with his own subjectivity For Shelley what plagues this integration is the prospect of losing both the poet's authority and the subjectivity upon which it relies This book asserts that the resultant deadlock and instability paradoxically becomes Shelley's ultimate goal creating a steady state of suspension that finally preserves both his authority and his humanity **The Biography Book** Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **Shelley's Goddess** Barbara Charlesworth Gelpi, 1992 The subject of Gelpi's new book is the importance of the mother infant relationship in Percy Bysshe Shelley's poetry and life However her book also uses Shelley as a touchstone by which to examine the rich

historical and theoretical issues relevant to motherhood in the Romantic period Gelpi offers a detailed account of the historical rise in attention paid to mothering the changing cultural attitudes towards the role of the mother and the resulting effect on the nature of family life She further discusses the psychoanalytic Marxist and developmental approaches to the mother infant relationship particularly to the connection each makes between that relationship and the acquisition of language By combining psychoanalytic poststructuralist and feminist theory with extensive biographical material on Shelley and information on the position of mothers in England after 1790 Gelpi offers an important reassessment of Shelley s avowed feminism and the failure of his utopian vision The Heart of History John Weir Perry,1987-01-01 This book is about the psychology of acute culture change based on the historical antecedents of such events It focuses on the spiritual process and the social circumstances of stressful turning points *the world's progress* ,1913

Right here, we have countless ebook **Shelley His World** and collections to check out. We additionally come up with the money for variant types and furthermore type of the books to browse.
