

Middle East Peace Process

Alfred L. Atherton

Middle East Peace Process:

Middle East Peace Process Alfred L. Atherton, 1978 **Syria and the Middle East Peace Process** Alasdair Drysdale, Raymond A. Hinnebusch, 1991 In *Syria and the Middle East Peace Process* Alasdair Drysdale and Raymond A. Hinnebusch two noted Middle East scholars present the first detailed examination of Syria's role in the long struggle for an Arab Israeli peace. They paint a surprising portrait of a country whose power is out of proportion to its size, economy, and resources. They explore the reasons behind this phenomenon, most importantly the Machiavellian brilliance of its leader Hafez al Asad. The authors address the origins of the Asad regime, Syria's strategy toward its Arab neighbors, its conflict with Israel, and the history of its relationships with the Soviet Union and the United States. The authors argue forcefully that Syrian involvement is vital in an effort to resolve the Arab Israeli conflict.

Peace Process William B. Quandt, 2005 Updated through the first term of President George W. Bush, this edition analyses how each US president since Lyndon Johnson has dealt with the complex challenge of Arab Israeli peacemaking.

The Middle East Peace Process Israel. Mišrad ha-ḥuts. Maḥlakāh le-hasbarah, 1995 *The Middle East Peace Process*, 1994 **U.S. Middle East Policy and the Peace Process** Henry Siegman, 1997 An independent Task Force sponsored by the Council on Foreign Relations calls for a change in US policy and for a bold American initiative to help Israel and the Palestinians reach agreement on the broad contours of a final settlement that can satisfy the minimal aspirations of both parties.

Developments Related to the Middle East Peace Process, 1994 **United States' Involvement in the Middle East Peace Process** Fidelis Etah Ewane, 2010 Seminar paper from the year 2010 in the subject Politics International Politics Topic Peace and Conflict Studies Security grade University of Freiburg language English abstract The Israeli Palestinian conflict is one of the greatest conflicts of our time, especially as no peace effort has proven to be really effective. From the creation of the state of Israel in 1948, the history of the Palestinians and the Israelis is defined by perpetual conflict with one another. Israelis and Palestinians are entangled with each other and alienated from one another in almost every imaginable way. From 1948 to 1973, Arabs and Israelis engaged in four great wars with heavy casualties on both sides. The United States of America has deployed enormous resources as peace broker in this conflict, partly because of its special relationship to Israel and partly because of its economic and strategic interests in the Middle East. Successive American administrations have maintained the tradition of mediation, but the most genuine commitment was made by the Clinton administration, culminating in the signing of the Wye River Memorandum in 1998. This mediation effort notwithstanding, peace between the Israelis and Palestinians is still an imaginary luxury, and violence remains the order of the day between the two peoples. The aim of this review paper is to analyze the lack of bold leadership on the part of the United States of America in brokering a lasting peace deal between Israelis and Palestinians. This paper is divided into three parts, and the first part retraces the history of the conflict from the creation of the state of Israel in 1948 to the Yom Kippur war of 1973. The second part examines the main issues of contention in the peace process.

beginning with the United States lack of neutrality Israeli Security concerns the refugee problem the status quo of Jerusalem the issue of the occupied territories and the Palestinian quest for self determination The last part p **Jordan and the Middle East Peace Process** George Pratt Shultz,1985 **United States' involvement in the Middle East Peace Process** Fidelis Etah Ewane,2010-12-22 Seminar paper from the year 2010 in the subject Politics Topic Peace and Conflict Security grade University of Freiburg language English abstract The Israeli Palestinian conflict is one of the greatest conflicts of our time especially as no peace effort has proven to be really effective From the creation of the state of Israel in 1948 the history of the Palestinians and the Israelis is defined by perpetual conflict with one another Israelis and Palestinians are entangled with each other and alienated from one another in almost every imaginable way From 1948 to 1973 Arabs and Israelis engaged in four great wars with heavy casualties on both sides The United States of America has deployed enormous resources as peace broker in this conflict partly because of its special relationship to Israel and partly because of its economic and strategic interests in the Middle East Successive American administrations have maintained the tradition of mediation but the most genuine commitment was made by the Clinton administration culminating in the signing of the Wye River Memorandum in 1998 This mediation effort notwithstanding peace between the Israelis and Palestinians is still an imaginary luxury and violence remains the order of the day between the two peoples The aim of this review paper is to analyze the lack of bold leadership on the part of the United States of America in brokering a lasting peace deal between Israelis and Palestinians This paper is divided into three parts and the first part retraces the history of the conflict from the creation of the state of Israel in 1948 to the Yom Kippur war of 1973 The second part examines the main issues of contention in the peace process beginning with the United States lack of neutrality Israeli Security concerns the refugee problem the status quo of Jerusalem the issue of the occupied territories and the Palestinian quest for self determination The last part proposes policies to the US State Department that can lead to a meaningful and lasting peace in the Middle East The paper recommends the US to adopt neutrality as mediator proceed to the creation of a viable Palestinian state and press for the enforcement of previous agreements that will allow for the safe return of refugees promote apology and reconciliation between Arabs and Jews and encourage shared responsibility over Jerusalem Rational choice is used to analyse US policy choices whereas the theory of Prisoner s Dilemma Game is used to analyse Israeli Palestinian choice of partner The Middle East Peace Process J. Ginat,Edward Joseph Perkins,Edwin G. Corr,2002 Political stability is a crucial precondition for peace in the Middle East In The Middle East Peace Process Vision versus Reality Joseph Ginat Edward J Perkins and Edwin G Corr have assembled a comprehensive overview of the complex peace negotiations taking place among Middle Eastern nations to resolve the Israeli Palestinian conflict and forge normal relations between Arab nations and Israel More than thirty academics and practitioners probe discuss and engage themselves with issues concerning the peace process The volume focuses first on the Oslo Agreement and the Palestinian Track then addresses Israeli relations with Egypt Jordan Lebanon

Syria and Iraq and concludes with an examination of relations between Israelis and Palestinians in Jerusalem The Middle East Peace Process is the result of the Center for Peace Studies conference The Peace Process in the Middle East cosponsored by the International Program Center at the University of Oklahoma and the University of Haifa in Israel The volume features a foreword by HRH Prince El Hassan bin Talal of Jordan and a preface by David L Boren President of the University of Oklahoma

The Palestinian Delusion Robert Spencer,2019-12-03 Every new American President has a plan to bring about peace between the Israelis and the Palestinians and every one fails Every peace process has failed in its primary objective to establish a stable and lasting accord between the two parties such that they can live together side by side in friendship rather than enmity But why And what can be done instead While this failure is a consistent pattern stretching back decades there is virtually no public discussion or even basic understanding of the primary reason for this failure The Palestinian Delusion is unique in situating the Israeli Palestinian conflict within the context of the global jihad that has found renewed impetus in the latter portion of the twentieth century and the beginning of the twenty first Briskly recounting the tumultuous history of the peace process Robert Spencer demonstrates that the determination of diplomats policymakers and negotiators to ignore this aspect of the conflict has led the Israelis the Palestinians and the world down numerous blind alleys This has often only exacerbated rather than healed this conflict The Palestinian Delusion offers a general overview of the Zionist settlement of Palestine the establishment of the State of Israel and the Arab Muslim reaction to these events It explores the dramatic and little known history of the various peace efforts showing how and why they invariably broke down or failed to be implemented fully The Palestinian Delusion also provides shocking evidence from the Palestinian media as well as statements from the Palestinian leadership showing that negotiations between Israel and the Palestinians will never work But there is still cause for hope Spencer delineates a realistic viable alternative to the endless and futile peace process that shows how the Jewish State and the Palestinian Arabs can truly coexist in peace without illusions or unrealistic expectations

The Current Middle East Peace Process Glen Segell,1997 **Middle East Peace Process** United States. Congress. House. Committee on International Relations,1996 **Palestinians, Refugees, and the Middle East Peace Process** Don Peretz,1993 In this clearly written and balanced volume longtime Middle East expert Don Peretz examines the current conditions and future prospects of the Palestine refugees and the members of the Palestinian diaspora He reviews their demographics living conditions political identity and perspectives on the peace process including the Gaza Jericho plan He explores a variety of proposed solutions including repatriation compensation and resettlement

The Middle East Peace Process Ilan Peleg,1998-01-01 A comprehensive interdisciplinary look at the history of and complex issues surrounding the peace process in the Middle East **Austria Country Study Guide Volume 1 Strategic Information and Developments** IBP, Inc,2012-03-03 Austria Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments [The Discourse of Palestinian-Israeli Relations](#) Sean F.

McMahon, 2010-04-15 This Foucault inspired analysis of the degeneration of the Oslo Process into direct Palestinian Israeli violence critically examines the ideas and practices that define Palestinian Israeli relations The text offers a radically different peace proposal that moves far beyond exhausted calls for confidence building measures and or an end to settlement construction *Security and Environment in the Mediterranean* Hans Günter Brauch, 2003 In this volume security specialists peace researchers environmental scholars demographers as well as climate desertification water food and urbanisation specialists from the Middle East and North Africa Europe and North America review security and conflict prevention in the Mediterranean They also analyse NATO s Mediterranean security dialogue and offer conceptualisations on security and perceptions of security challenges as seen in North and South The latter half of the book analyses environmental security and conflicts in the Mediterranean and environmental consequences of World War II the Gulf War the Balkan wars and the Middle East conflict It also examines factors of global environmental change population growth climate change desertification water scarcity food and urbanisation issues as well as natural disasters Furthermore it draws conceptual conclusions for a fourth phase of research on human and environmental security and peace as well as policy conclusions for cooperation and partnership in the Mediterranean in the 21st century European Union Policy towards the Arab-Israeli Peace Process C. Musu, 2010-02-12 What are the achievements the limits and the failures of the EU s involvement in the Arab Israeli conflict This book sets out to answer this question by analysing the development of European policy towards the conflict over the last forty years
