Delirium's Muse Michaël Wertenberg,2022-09-20 Delirium s Muse the mind s frightening yet fascinating ability to rationalise the irrational to grant an escape from the ravages of reality into the more comforting cradle of delusion where addiction is anthropomorphized attacked and defeated where wellness is a product of will where safety and sanity are but seeds to be sown in the fertile ground of fantasy Delirium s Muse is a collection of stories of flight of fugitives of reason who set out on a fugue from the torments of truth into the more hospitable terrain of madness
