Guy Davenport and James Laughlin Guy Davenport, James Laughlin, 2007 Still with his life as entwined as it was with New Directions Laughlin speaks often and interestingly about some of the giants of the modern period most often Ezra Pound in whose work Davenport had a deep interest The most distinct aspect of their correspondence stems from the fact that although Laughlin ended up publishing some of Davenport's work their friendship was the primary force behind their letters More than simply detailing an author publisher relationship these letters depict two fine minds educating and supporting each other in the service of literature Jacket **A Balance of Quinces** Erik Reece, Erik Anderson-Reece, Guy Davenport, 1996 As Erik Anderson Reece says in A Balance of Quinces Many know Guy Davenport the creator of fiction the critic the illustrator the poet the translator But Guy Davenport the monastic painter is still unknown Here gathered for the first time is a generous collection of Davenport's paintings and drawings interwoven with commentary by poet and critic Erik Anderson Reece The broad scope of Davenport's artistic output is included here the pen and ink portraits the abstract still lifes and the collage compositions Erik Anderson Reece's essay provides cultural background for the work and examines it as an extension of Davenport's writings Besides the plentiful black and white reproductions throughout the text this edition of A Balance of Quinces also includes twenty four pages of color plates **The Waters of Hercules** Emily Gerard, 1886
