Myth, Masculinity & Me David M. Martin, MA, 2019-10-14 *Myth Masculinity Me* By David M Martin In today's gender revolution we often hear people identifying as more or less masculine or more or less feminine But do we really know what masculinity is Is it a concrete and definable category or something that is more ambiguous and mutable In this book the author takes the reader along with him on his personal journey exploring his relationship with and growing understanding of masculinity Along the way the reader will hear about both healthy and unhealthy or toxic masculinity The way is perilous and strewn with personal landmines and pathogenic beliefs inherited from culture family and institutions This book utilizes an archetypal and mytho-poetic framework to analyze experience and form a new relationship to masculinity and the innermost self Through the story of Peter Pan the author analyzes archetypal masculinity from infancy through childhood Next the author takes the reader through *The Strange Case of Dr Jekyll and Mr Hyde* to discuss the major split most men face

between their inner reality exterior persona and the shadow that lurks behind them Finally the author takes a bold leap into the story of Beowulf to battle the dragons of cultural stereotypes falsely imposed limitations and dangerous self beliefs that affect the individual not just as a man but as a human This is one man s story It is about learning and taking responsibility for the kind of life we ultimately want to lead as well as the kind of world we want to leave behind to those who follow

Out of the Darkness...into the Sun Lee Banta,2021-08-04 The bullet whizzed by the tall eerie figure slowly approached and her head spun completely around These things actually happened on the journey of a man who only wanted to find his way in life If not for the guardian angels that God assigned all around him Lee s story would never have been told But in order to bring awareness of God s loving protection for us all he tells it in detail from the moment of his spiritual awakening to the present Lee s journey will both shock and amaze you You will begin to realize that the time when that car almost hit you when that broken window glass almost blinded you and when you heard those strange noises in the house on that stormy night you were not alone This story is proof that God s angels protect all who believe in the love of the Savior Christ Jesus

Am I My Brother s Keeper? Andrew Stafford,2014-11-14 Are we responsible for the well being of our neighbors and our friends and family Obeying the command of God is detrimental in our efforts to reap eternal life I have attempted to share my efforts from personal experiences

through the power of the Holy Spirit guiding my actions The Psalm in 37 25 says I have been young and now am old Yet I have not seen the righteous forsaken Nor his descendants begging bread NKJV The author Andrew Earl Stafford took years to chronicle his experiences for over seventy years as he interprets how the Holy Spirit guided him to be a leader to his family community and nation in sharing the presence of God in our everyday lives Andrew became aware of the presence of God at an early age as he observed how God protected and provided for his mother Maezell who in the 1940s turned down welfare because she viewed it as a trap to create dependence rather than an opportunity to succeed Four boys and one girl to raise Maezell was told by the welfare department that she could not own a car because it was considered a luxury Well Maezells response was that she needed a car to transport her children to school besides she worked at a laundry until she retired Their father Clifford after leaving the navy had no choice but to try and earn a living playing baseball in the Old Negro Baseball Leagues His absence from the family created a situation of divorce Though they face possible economic challenges Maezells goal was to make sure all of her children finished high school They all did and most with honors and all with perfect attendances Andrews book covers his struggles in poverty racism family society and in the realm of spiritual warfare Although you walk through the valley of the shadow of death theres no reason to fear evil Andrew learned firsthand how God will empower each of us to make this world a better place to live if we are willing to wait on him *In re Nosek's Estate; Plunkett v.
