Baldwin, Victor Anderson, 2018-11-01 MLK and the Practice of Spirituality The scholarship on Martin Luther King Jr is seriously lacking in terms of richly nuanced and revelatory treatments of his spirituality and spiritual life This book addresses this neglect by focusing on King's life as a paradigm of a deep vital engaging balanced and contagious spirituality It shows that the essence of the person King was lies in the quality of his own spiritual journey and how that translated into not only a personal devotional life of prayer meditation and fasting but also a public ministry that involved the uplift and empowerment of humanity Much attention is devoted to King's spiritual leadership to his sense of the civil rights movement as a spiritual movement and to his efforts to rescue humanity from what he termed a perpetual death of the spirit Readers encounter a figure who took seriously the personal interpersonal and sociopolitical aspects of the Christian faith thereby figuring prominently in recasting the very definition of spirituality in his time King's holistic spirituality is presented here with a clarity and power fresh for our own generation *Self Talk, Soul Talk* Jennifer Rothschild, 2007 Words are powerful and what a woman says to herself makes a difference These words are what Rothschild refers to as soul talk She shares from her own life and Scripture how women can turn their self images and lives around for good *Inner Out* Stephanie
