**Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook** Dr. John Mannion,2020-11-17 Inspirational writing meets Bible commentary Nuggets of Truth stands as a different kind of devotional It is perhaps more in keeping with Oswald Chamber s My Utmost for His Highest in that it is meant to teach more than it is meant to simply inspire Not that each Nugget of Truth does not inspire On the contrary it stands as a very inspirational book even as the Scriptures themselves never fail to inspire Indeed the content of each individual devotional is full of Scripture Each Nugget of Truth is designed to provide the reader with a short Bible study Hence the reader is more of a student than simply a reader The considerable content of each day s study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year The sub title of Nuggets of Truth A Bible Student s Devotional and A Bible Teacher s Resource Handbook reveals the two fold purpose and use of this book It is meant to be a devotional for Bible students and for Bible teachers In keeping with this second purpose the devotional is exhaustively indexed With its indexes Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries 80 pages of downloadable indices provided with purchase

Brisby,2019-06-30 A woman's personal conviction to begin keeping the seventh day Sabbath in 1926 would challenge her husband to begin an intensive study to prove her wrong That study would spawn a new religious movement under Herbert W Armstrong A fledgling group would form in 1934 and an audacious media operation would make the Radio Church of God later named the Worldwide Church of God grow by 30% per year over the next 35 years Proclaiming a unique understanding of the Bible traditional Christian orthodoxy would be challenged making that church most peculiar indeed Internal and external forces would alter Herbert Armstrong's view of his own mission and especially after Loma's death doctrinal and administrative turmoil would stagger the church for the rest of his life After his death in 1986 the empire would implode and successors would dismantle everything that the Armstrongs had built Was it all just a fantastic fraudulent escapade conceived by a lucky and opportunistic salesman or might it have been a divine Work God's own peculiar treasure If it did begin with God's inspiration why and how did it all go so wrong Is there anything left of it today that has any redeeming value These are the questions that will be answered with evidence to suggest that there is yet an enduring legacy of Herbert and Loma Armstrong     [Nuggets of Truth Prayer Works](#) Karen Raffield,1919-10-21     **Bibliotheca Sacra and Theological Review** ,1899     [Nuggets from God's Word](#) Tom Neal,2019-06-11 Years ago Tom Neal realized that God reveals previously unknown secrets to all of us through small truths hidden within His word Rather than providing us with all the details of His plans and purposes at once God chooses to give us glimpses into his nuggets of truth in order to keep us hungry for more and fuel our desires to connect the dots In a collection of excerpts from actual Bible studies Tom provides spiritual inspiration that invites believers in all stages of faith to seek those truths in order to draw strength and encouragement from God's word Within his scripture inspired compilation Tom shares how to know and understand God the Holy Spirit and Jesus become a believer in Christ recognize the will of God deal with desires renew our minds make all things new and ultimately attain peace Nuggets from God's Word is a collection of biblical teachings intended to encourage the young and old alike to utilize the word of God for inspiration in how to live a Christ centered life     *Americana, American Historical Magazine* ,1915     **The Empty Church** Mark Bohachuk,2018-04-23 The Empty Church is a street level discussion that explores the modern day Christian Church attendance and why it seems to be dwindling Mark Bohachuk walks the reader through logical and clear ways of thinking about Christianity and the decline in church attendance Is it a coincidence that as people leave the Christian faith for materialism that our world is slowly being submerged in chaos and an out of control politically correct movement Is the

waning of the world's moral barometer related to the weakening of our faith The Empty Church begins an informal discussion on why we may be seeing these declines The author takes us on an explorative journey to the forces that continue to relentlessly pressure and push people out of the Christian Church A society of materialism and fast food like gratifications lure the gentle sheep of the church out into a world of ravenous wolves The Empty Church is a great place to start a dialogue with your friends and fellow believers about the condition and health of our modern society and how it may tie in with the decline in our church attendance Has our faith in God been lost in the stampede of atheistic pleasures of our fast and furious society Can we reclaim the faith and refill the churches with followers of the truth and the life and once again become the change agents that our society so desperately needs The Empty Church looks at possible reasons there exists a decline in our faith and looks at the ways we can once again become the salt and the light to the nations      **Now** ,1915
