PHILOSOPHY AND SOCIAL WORK: Philosophical Bases, Models and Sources for a Humanistic Social Work 2023 HARDCOVER EDITION , 2023-05-23 This edition comprises brings together incorporates synthesizes

some of the author's works books articles chapters ideas fragments in print and electronic form with themes topics ideas that address the relation between philosophy and social work welfare policy with emphasis on the humanistic paradigm approach published in academic format between 2011 and 2023 No new sections were introduced but the bibliography was partially updated bringing to attention relevant titles that appeared after the previous edition In the book it is analyzed the complex and delicate relationship between philosophy and social work welfare between the philosophical system of concepts and ideas and the theory axiology of social work welfare especially from a humanistic perspective bringing face to face on the one hand the great branches or sub domains of philosophy respectively ontology ethics social philosophy personology and on the other hand the great sub domains or issues of social work welfare respectively the way of representation the client and the social problem difficult situation risk situation vulnerability resilience etc the system of constitutive values and principles the way of representation of the professional and the specific practice methodology etc The relation between philosophy and social work is no doubt biunivocal philosophy encompasses in its purpose and history the social issue dimension in its broader human sense especially with the preoccupations in the sphere of ethics and social philosophy but also of the existentialist humanistic and humanistic personalist philosophies as the social work as general theory and axiology cannot be conceived without a consistent philosophical representation Both the system of fundamental values and the mission or methodology of social work welfare are most often stated in the terms of an explicit applied social ethical and humanistic philosophy even if not always this aspect it is highlighted in an assumed way An important observation that must to be done is that the author does not proposes in his book and nor does it accomplish an exhaustive profound and complete approach and exposure of the relation connection from a humanistic point of view between philosophy and social work welfare between their sub domains but only he brings into attention this subject this theme very little approached in the literature in relation to its indisputable importance Regarding the destination of this paper its design content and bibliography are made in such a way that to be useful both to the academic community to students and teachers in philosophy and social sciences and practices and also to the professional community to social workers psychotherapists educators social managers etc

HUMANISTIC PERSONOLOGY: A HUMANISTIC-ONTOLOGICAL THEORY OF THE PERSON & PERSONALITY. Applications in Therapy, Social Work, Education, Management, and Art (Theater) 2023 PAPERBACK EXPANDED EDITION ,2023-10-29 This Expanded 2023 Edition of the book entitled HUMANISTIC PERSONOLOGY A HUMANISTIC ONTOLOGICAL THEORY OF THE PERSON PERSONALITY Applications in Therapy Social Work Education Management and Art Theater completes the range of domains brought to attention and represented from the perspective of humanistic ontological orientation with new domains namely medicine politics technology science ecology and economy work project which as stated in previous editions presents an ontological humanistic theory model for the formation development functioning education and therapy counseling of the human personality person offering a philosophical ontological

alternative to the prevailing contemporary psychological biological and cybernetic models in both literature and practice To this end the process of personality person formation is described as a successive and simultaneous creation and establishment of internal autonomous BEINGS onto formations These internal beings onto formations such as the organism the self the soul the ego the mind the consciousness play a dynamic ontological and functional specific role in the composition and the functioning of the personality person The personal profile the personality traits the behavior the human being as a whole are depicted as the outcomes of inner dynamic relationships and ontological confrontations among these internal beings which are energetically and antagonistically charged Through this daring project and through these innovative elements the theory model presented in an improved form also in this edition can represent a significant contribution not only to elucidating and explaining the complex processes of personality person formation development functioning and therapy but also to represent these processes including by invoking the Aristotelian and Platonic concepts of transubstantiation and body soul matter spirit dualism in relation to profound philosophical ontological and metaphysical categories such as human being human essence human nature and human condition bringing the discourse currently located mainly in the sphere of psychology in the sphere of philosophy ontology and ethics as well the formation and development process not leading from the perspective of the model adopted in the project only to the formation of personality and adaptive behavior but also to the formation in a holistic view of the person as a whole of the person as a HUMAN BEING Some of the most significant fragments ideas The essence of the humanistic ontological conception regarding the person the human personality is given by the idea that these are ontological products of some gradual and stadial processes held with the crucial contribution of the concrete contextual contingent socio human cultural and institutional factors where the person grows and lives Very important are therefore the personal human factors In our ontological humanistic model of formation beingness and functioning of the person personality of the human being we will speak therefore about characteristics properties processes principles such as onto formatization persomization and promergence emergence and imergence transmergence and telegence conmergence and sinmergence about stages of evolution formation development establishment of the personal ontological psychological formations of the person as a whole such as of contact of acquisition accumulation of structuration centralization of constitution holistization of establishing networking and finally of ontification fulfillment and about ontological subjective humane and spiritual experiences feelings that represent substances motivational energetical sources and resorts of forming of the personality person s onto formations and spheres Emergency Nursing Care Gary Jones,Ruth Endacott,Robert Crouch,2002-11 The field of accident and emergency nursing is a fast moving one This comprehensive textbook is aimed at both the qualified or trainee nurse who has specialised or is thinking of specialising in accident and emergency care The authors and editors are all experienced nurses and nurse educators who aim to provide easy to read and easy to find information about procedures conditions and nursing skills that a newcomer to the field may not

be familiar with or with which he or she has only a superficial knowledge Throughout the text much use is made of illustrations tables and boxes of key information and a comprehensive list of references is included at the end of each chapter

The Humanistic Approach in Psychology & Psychotherapy, Sociology & Social Work, Pedagogy & Education, Management and Art: Petru Stefan, 2012-12-30 In this book is realized a brief presentation of the main orientations and features of the Humanistic Theory and Method in the major socio human sciences domains and practices As construction structure and content this book cumulates incorporates synthesizes and develops in a new original and unitary work a number of the author s previous works consecrated to the humanistic approach and method in some socio human sciences and practices especially in Psychology and Psychotherapy Sociology Social Work Education and Management published up to the end of 2012 both in print and electronic format In the process of realization of this works including of this book was taken into consideration and was consulted the universal social and therapeutic literature of humanistic orientation with the two main directions existential positive and spiritual ontological humanitarian or the one that describes it or refers to it Essentially the Existential Positive Orientations represent and approach in theory or practice therapy education social work etc the Person and Personality through traits objectives like high level of personal and social autonomy free will and high capacity ability for self determination high level of personal development high resilience high capacity to control the emotions high degree of awareness self knowledge high self esteem high level of interpersonal development adaptability mature personality activism and initiative assertiveness etc while the Socio Human Micro Community is represented through features such as high autonomy strong organizational culture high socio human functionality high cohesion unity solidity adaptability resilience resistance to crisis and challenges good management etc The Ontological Spiritual Approaches Theories promote core concepts and objectives of the intervention such as spiritual humane personality and humane good community spiritual humane development of the person and humane cultural development of the community These paradigms highlight and promote Personality traits and qualities such as spirituality virtue humanness altruism empathy love faith etc Regarding the theoretical representation of the Community these approaches theories highlight ideas and features as people centered community the dominance of the inter personal relationships of attachment love respect the dominance of the practices and customs of mutual helps social group community solidarity harmony unity inter personal congruency socio human inter personal community functionality socio human moral and cultural integration cohesion Regarding the destination of this paper its design content and bibliography are made in such a way to be useful both to the academic community to students and teachers and also to the professional community to psychotherapists educators managers social workers artists etc

Nurse Practitioners Clinical Skills And Professional Issues Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nurse Practitioners Clinical Skills And Professional Issues has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nurse Practitioners Clinical Skills And Professional Issues has opened up a world of possibilities. Downloading Nurse Practitioners Clinical Skills And Professional Issues provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nurse Practitioners Clinical Skills And Professional Issues has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nurse Practitioners Clinical Skills And Professional Issues. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nurse Practitioners Clinical Skills And Professional Issues. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nurse Practitioners Clinical Skills And Professional Issues, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nurse Practitioners Clinical Skills And Professional Issues has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
