sincere hope that not only will infertile readers feel like they aren't alone in their challenge to become parents but that their families and friends may benefit from my story to put perspective on the infertile experience I also hope that those with unplanned pregnancies will give serious consideration to the precious gift of adopting their baby to a family who would cherish them beyond measure While I have changed the names of everyone in this book to protect them from any embarrassment or shame they may feel hearing my story I have also changed my own name to protect my daughter's privacy My intention isn't to hurt anyone's feelings but the heart of the matter would be lost if I couldn't be as open and honest as possible with my audience Many a tear was shed as I compiled this book both from remembered sorrows and the heights of triumph As difficult as reliving this personal journey has been I am reminded every day by looking at the beautiful one who calls me Mom that she was meant to be my daughter and she's absolutely worth it I encourage every woman to own her personal power unbury her hidden strength and fight for the family you always wanted
